Benefits Highlights

2017

Officers | Effective January 1, 2017
About This Communication

Benefits Highlights summarizes the benefits programs that are available to benefits-eligible employees of Columbia University. It does not include important information about exclusions and limitations. For additional details of benefits coverage, eligibility, limitations and exclusions, you must refer to the Summary Plan Descriptions (SPDs), the Summary of Benefits and Coverage (SBC), and the Benefits Brochure (Summary of Material Modifications – SMM) online at http://hr.columbia.edu/forms-docs/search. You may also want to request to receive a paper copy of an SPD or SMM by contacting the Benefits Service Center at 212-851-7000. As a requirement of the Patient Protection and Affordable Care Act, Columbia University must provide an SBC to all participants and their dependents. The SBC is designed to provide you with an easy-to-understand summary about a health plan’s benefits and coverage and to help you better understand and evaluate your health insurance choices. An SBC for each medical plan is available at http://hr.columbia.edu/forms-docs/search. You may request to receive a paper copy of any SBC by contacting the Benefits Service Center at 212-851-7000. You are entitled to receive these Plan documents under the Employee Retirement Income Security Act of 1974 (ERISA). You also have other important rights and protections under ERISA, which are explained in more detail in the Summary Plan Descriptions. You can find the documents online at http://hr.columbia.edu/forms-docs/search. If there are any discrepancies between the information in this publication, verbal representations and the Plan documents, the Plan documents will always govern. Columbia University reserves the right to change or terminate these benefits Plans at any time. This publication is in no way intended to imply a contract of employment. The Columbia University Group Benefit Plan (the “Plan”) complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex.
Benefits Highlights is primarily a reference for newly hired colleagues, as well as a resource to help you during annual Benefits Open Enrollment. It summarizes the following:

Benefits Highlights is also posted online at http://hr.columbia.edu/officers-health-welfare. In addition, you can find information about the following benefits-related items:

- Your current benefits enrollment
  (in the CU Benefits Enrollment System)
- Frequently Asked Questions
- Links to health plan websites and network physicians
- Adoption Assistance Program and Surrogacy Benefit
- Forms, including medical claim forms
- Summary Plan Descriptions (SPDs)
- If you leave CU (including COBRA continuation coverage)

Important policy information is at www.hr.columbia.edu/policies.
For information about other services and University programs, consult the New Hire Checklist at http://hr.columbia.edu/new-hire-checklist.
Columbia University offers a full range of benefits to help you and your eligible dependents stay healthy, build long-term financial security for retirement, meet your educational goals and much more.

We encourage you to review this Benefits Highlights to learn more about the programs available. Detailed information on all of the University’s benefits is available to you on the Human Resources website at http://hr.columbia.edu/benefits-columbia-university.

Choose Your Coverage Carefully

The elections you make will be in effect for the 2017 calendar year. Unless you have a Qualified Life Status Change, you will not have another opportunity to change your benefits coverage selection until the annual Benefits Open Enrollment held each fall. Changes you make during Benefits Open Enrollment take effect the following January 1.

Online Tools to Help You Compare

In the Tools and Estimators section of the CU Benefits Enrollment System, you will find online tools, including “Estimate My Medical Costs for In-Network Services,” that will help you compare the different medical plan options based on your personal needs and health.

In the Retirement section of the CU Benefits Enrollment System, you can model your retirement contributions based on a percentage election, an annual dollar amount and a per-pay-period dollar amount.

New Hires

If you are newly hired or newly eligible, you can enroll online when you receive the confirmation email from hrbenefits@columbia.edu. You have until the date indicated in your email to enroll. If you do not receive this email three weeks from your date of hire or date of eligibility, please contact the Columbia Benefits Service Center at 212-851-7000 or via email at hrbenefits@columbia.edu.

Remember: You must enroll for benefits within 31 days of your date of hire or eligibility. Most elections will be in effect as of your date of hire. If you do not enroll within 31 days, you and any eligible dependents will not receive benefits coverage for the remainder of the calendar year.

• As a new hire you have a one-time opportunity to elect Optional Life Insurance and Optional Long-Term Disability, up to certain limits, without providing Evidence of Insurability.

• Most of the elections you make now will be in effect for the rest of the calendar year. Please review “Making Changes to Your Benefits” for the rules.

• You can make changes at any time during the year for the Voluntary Retirement Savings Plan (VRSP), the Transit/Parking Reimbursement Program (T/PRP) and the Health Savings Account (HSA).*

Please note that if you enroll for Long-Term Care Insurance within 60 days of your date of hire, you can take advantage of being accepted for coverage without providing Evidence of Insurability. Refer to the Long-Term Care section for enrollment information.

*Applies if you are eligible for the Health Savings Plan (HSP) and enrolled in the HSA.
How to Enroll

Using the CU Benefits Enrollment System

Step 1  Please know your UNI and password before you start the online enrollment process.

- If you do not know your UNI, you can look it up at http://uni.columbia.edu.
- If you do not know your password, you can change it by visiting http://uni.columbia.edu and clicking the link to “Forgot Password?”

For further assistance with your UNI and password, you can also contact:

CUIT Service Desk: 212-854-1919 or askcuit@columbia.edu

Step 2  Go to http://hr.columbia.edu/officers and click on the “CU Benefits Enrollment System.” You will be prompted to log in using your UNI and password.

Step 3  Select “New Hire Enrollment or Newly Eligible Benefits Enrollment.” Then, follow the instructions to make your benefits choices. Please be sure to click “Save and Continue” to finish the enrollment process and go to your “Benefits Enrollment Confirmation.”

Step 4  Carefully review your Benefits Enrollment Confirmation before exiting the system. If you see a problem or want to make a change, simply go back into the online system and modify your election. You may print this confirmation if you would like a paper copy of your benefits enrollment.

Step 5  Now is also a good time to review your retirement investments. Select “Update your Retirement Elections” to review and/or make changes. Please be sure to “Save and Continue.” Print your Benefits Confirmation Statement if you would like a paper copy of your Statement.

If you have questions, contact:

Columbia Benefits Service Center: 212-851-7000 or hrbenefits@columbia.edu
Who Is Eligible for Benefits

The online CU Benefits Enrollment System will show you the benefits and options you are eligible for, as well as their monthly cost, and the benefits effective date. Eligibility begins upon your date of hire.

Ineligible Officers

The following are not eligible for coverage under most* Columbia University benefits:

- Temporary part-time Officers
- Officers whose appointments are incidental to their educational program at the University
- Adjunct professors
- Officers who are classified as non-benefits eligible
- Casual employees
- Officers whose terms of employment are subject to a collective bargaining agreement, unless the agreement specifically provides for their participation in the Benefits Plan

*If you have W-2 earnings, you are eligible for the Voluntary Retirement Savings Plan.
Eligible Dependents

For most Columbia benefits, including Medical, Vision and Dental benefits, your dependents—your spouse or same-sex domestic partner and your eligible children—can be covered if you verify that they meet the following requirements:

- Legal spouse
  - Marriage Certificate

- Same-sex domestic partner, provided your partner is:
  - At least 18 years old;
  - Not related to you by blood;
  - Not legally married to another person; and
  Meets two or more of the following requirements:
    - Shares the same principal residence with you full-time and has done so continuously for the past 12 months;
    - Shares financial responsibilities with you, such as co-ownership of property and joint financial accounts;
    - Has power of attorney.

- Legally dependent children, including adopted children. Dependent children are covered:
  - Until the end of the month in which they turn age 26;
  - At any age if they have a physical or mental disability, provided that when they were diagnosed, they were covered dependents and it was prior to the end of the month in which they turned 26;
    - If you're a newly eligible employee and your disabled child is older than age 26 when you are electing coverage, you may apply to cover your child when your coverage begins;
    - If you're an eligible employee when your child meets this definition, you must apply for continued coverage before the end of the month in which he or she turns age 26.
  - If a court has appointed you as the legal guardian for any child from birth to age 26.

Please note that eligible children are defined differently for the Flexible Spending Accounts (FSAs), Health Savings Account (HSA), Tuition Benefits programs and Dependent Life Insurance (see eligibility details under each plan description in the Benefits Highlights).
Making Changes to Dependent Eligibility

There are two ways to make a change in dependent eligibility:

1. Go to [http://hr.columbia.edu/officers](http://hr.columbia.edu/officers) and click on “CU Benefits Enrollment System” to make changes to the status of your dependents (through a Qualified Life Status Change); or

2. Call the Columbia Benefits Service Center at 212-851-7000.

When your dependent is no longer eligible, it is your responsibility to report this change to the Columbia Benefits Service Center within 31 days of the change.

Proof of Dependent Eligibility

Columbia University has a responsibility to ensure that only eligible expenses are paid from its plans. This requirement is consistent with IRS regulations that govern the operation of a qualified benefits plan.

You must be prepared to provide satisfactory proof that each of your covered dependents meets the eligibility requirements. Audits are conducted periodically to ensure that all dependents continue to meet the eligibility requirements of the benefits plans. If you are selected for one of these audits, you will receive a letter detailing the audit process and you will be asked to provide the documentation listed in the chart on the next page of this booklet.

If you are not able to provide proof that your dependent is eligible for coverage, your dependent’s coverage will be terminated.

Submit copies of your documents, plus the “Dependent Verification Request Form” from your online benefits enrollment session, to the Columbia Benefits Service Center. To submit documentation, you may either:

- Scan and email to hrbenefits@columbia.edu; or
- Fax to 212-851-7025. This is a secure fax.

Or, if you do not have access to scan documents and send them via email or fax, call the Columbia Benefits Service Center at 212-851-7000.

For questions about how to obtain duplicate documents, such as a marriage or birth certificate, please contact the appropriate entity or government office.

Important: For security reasons, please remove all Social Security Numbers from paperwork—you should enter Social Security Numbers directly into the CU Benefits Enrollment System by selecting “Add a Dependent Child or Update Dependent SSN” under “Actions.”
Verifying Dependent Eligibility

If you are adding a dependent spouse, same-sex domestic partner or child(ren) to your coverage, you are required to provide documentation before the dependent’s coverage is effective. The CU Benefits Enrollment System will walk you through this process.

• To add your dependent at the time you enroll in your own benefits, or to make changes due to a Qualified Life Status Change, please refer to the “Making Changes to your Benefits” section. Follow the instructions on the CU Benefits Enrollment System. The system will take you to the “Dependent Required Documentation” page. If you need assistance, call the Columbia Benefits Service Center at 212-851-7000.

1. Print the “Dependent Verification Request Form.” Submit it as instructed by the deadline on the form, along with the valid documentation for approval. (See chart below.)

2. Once proper verification is received, coverage for your dependent will be retroactive to the effective date of your own election (provided this is done within 30 days), or the date of the Qualified Life Status Change.

3. Dependent Medical, Vision, Prescription Drug and Dental coverage will be in a “pending” status until eligibility is verified by the Columbia Benefits Service Center.

Note: You must make your changes within 31 days of your Qualified Life Status Change.

- Joint ownership of property  
- Joint bank account statement  
- Designation of the partner as primary beneficiary in your will or designation of the partner as beneficiary for your life insurance or retirement benefits  
- Assignment of power of attorney to your partner |
| Child                      | One of the following:  
- Child’s birth certificate  
- Hospital record of birth (temporary, until birth certificate is received)  
- Adoption certificate/court order |

*If your document is in a foreign language, please submit a copy of the original document as well as a notarized English translation. The document must be translated by someone other than yourself or your family member.
Who You Can Cover for Medical, Vision and Dental

You do not have to cover the same eligible dependents for the medical and dental plans. For each plan, you have the choice of covering:

- Yourself only;
- Yourself and your spouse or eligible same-sex domestic partner;
- Yourself and a child or children; or
- Family: you, your spouse or eligible same-sex domestic partner, plus children.

Under the Patient Protection and Affordable Care Act (ACA), the IRS requires all employers to collect the Social Security Number (SSN) for all employees and their dependents covered by our benefits plans. Social Security Numbers are required to add a dependent to your coverage. If you have dependents who do not have Social Security Numbers, please call the Columbia Benefits Service Center at 212-851-7000.

Both Work for the University?

If you and your spouse both work for the University and are eligible for coverage, you must choose your coverage in one of the following ways:

- One spouse makes the choice for the entire family, including eligible dependent children, if any. In this case, the other spouse must select “No Coverage.”
- Each spouse can make his or her own choice. In this case, all eligible dependent children must be covered by one spouse or the other.

Active Officers Turning 65

Active Officers and their spouses age 65 and over who are enrolled in a Columbia-provided medical plan option do not need to enroll in Medicare because they still have creditable coverage through the University. Once you retire from the University, you should enroll in Medicare immediately to avoid any gaps in coverage.
Limited Changes During the Year – Qualified Life Status Changes

The IRS restricts when you can add coverage for a dependent or make changes to your healthcare benefits and Flexible Spending Account (FSA) elections during the year.

After new hire initial enrollment, or after annual Benefits Open Enrollment, you will only be able to change most benefits for the remainder of the calendar year if you experience a Qualified Life Status Change.

Examples of a Qualified Life Status Change include:

- Marriage, divorce or the beginning or end of a same-sex domestic partnership;
- Birth, adoption or placement for adoption or foster care;
- Death of a dependent (spouse, same-sex domestic partner, child);
- A dependent losing eligibility for coverage, such as a child reaching maximum age; or losing coverage under another plan, such as a spouse/partner losing coverage from his or her employer;
- A spouse or eligible dependent being called to military duty in the U.S. Armed Forces;
- Job promotions and/or transfers that change the benefits offerings.

If you experience a Qualified Life Status Change, you must go to http://hr.columbia.edu/officers and make changes within 31 days of the event. The benefits changes must comply with IRS regulations. If you need assistance, please contact the Columbia Benefits Service Center at 212-851-7000 and a specialist will help you with your changes.

You must provide proper documentation for your change, such as a birth certificate, marriage certificate or divorce decree. Your benefits changes must be consistent with the nature of your Qualified Life Status Change.

Note: If you make a Qualified Life Status Change election after mid-November, you may be too late to make changes to certain benefits for the remainder of the current calendar year.

Changes Permitted at Any Time

Health Savings Account

If you are enrolled in the Health Savings Plan and the Health Savings Account and you are not enrolled in Medicare, you can update your HSA contribution at any time during the year. The change will always be effective the 1st of the following month.

Transit/Parking Reimbursement Plans

You can make changes to your account at any time during the year. For example, you can change your deposit amount if you change your work location or residence; if you change the way you commute; if there is a change in cost for bus, subway or rail service; or if there is a change in the amount you pay for parking. Changes made before the 20th of the month will be effective the 1st of the following month.

Voluntary Retirement Savings Plan (VRSP)

You can enroll in or change your elections for the VRSP at any time during the year. More information on the VRSP, including investment options, educational information and planning resources can be found online at http://hr.columbia.edu/officers-voluntary-retirement-savings-program-vrsp.
Overview of Medical Coverage

Columbia University offers comprehensive medical plan options through UnitedHealthcare (UHC). Please review the following important information before making an election. For more detailed information about your medical plan options, you can visit the CU Benefits Enrollment System and review the Summary of Benefits and Coverage (SBCs) or access the Summary Plan Descriptions (SPDs) at [http://hr.columbia.edu/officers-health-welfare-medical-benefits-0](http://hr.columbia.edu/officers-health-welfare-medical-benefits-0).

- Health Savings Plan (HSP), which is the only plan that can be paired with the tax-advantaged Health Savings Account (HSA)
- Choice Plus 80
- Choice Plus 90
- Choice Plus 100

The CU Benefits Enrollment System will show your monthly pre-tax contributions for each medical plan option. You can also view monthly contributions on pages 27 through 28 of this booklet. The Medical Plan Comparison Chart on page 21 summarizes the key differences in the level of coverage provided by our medical plan options. There is also an online tool called “Compare CU Medical Plans” on the CU Benefits Enrollment System, which allows you to customize your view of plan options. Once you receive the confirmation email from hrbenefits@columbia.edu to enroll, you can access this online tool.

All medical plan options cover the same comprehensive set of services and cover in-network preventive care, such as annual physicals, immunizations and well-baby visits, at 100% with no deductible. All medical plan options include prescription drug and vision coverage.

All University medical plan options cover only medically necessary services and supplies for the purpose of preventing, diagnosing or treating an acute sickness, injury, mental illness, substance abuse or symptoms. For more about the definition of “medically necessary,” see the Summary Plan Descriptions (SPDs) on the Benefits website at [http://hr.columbia.edu/officers-health-welfare-medical-benefits-0](http://hr.columbia.edu/officers-health-welfare-medical-benefits-0).

Evaluate Which Medical Plan Option Might Be Right for You

To get a better idea of which medical plan option might be best for you, try the online tool called “Estimate My Medical Costs for In-Network Services.”

1. Go to [http://hr.columbia.edu/officers](http://hr.columbia.edu/officers) and click on “CU Benefits Enrollment System” to access the Tools and Estimators section.

2. See which options are most valuable to you. The tool calculates:

   + Your monthly contributions for the year
   
   What you can expect to spend during the year on in-network copays, deductibles, coinsurance and similar in-network expenses

   = Your total estimated cost for the year
Understanding the Terms

To make the right choices and understand the Medical Plan Comparison Chart, it is helpful to know the following benefits terms:

**Network** is the group of physicians, hospitals and other providers who agree to offer services to a medical plan at lower-priced, “negotiated rates.”

- **In-network:** When care is given by a participating provider, it is considered “in-network.” Staying in the network for care means services will be provided at the lower negotiated fees. You will therefore pay lower out-of-pocket expenses than for out-of-network services.

- **Out-of-network:** When care is given by a provider who is outside the plan option network, it is considered “out-of-network.” Services will not be provided at the network negotiated rate. Therefore, your share of the cost for out-of-network services will be much higher than for in-network services.

**Copay** is the fixed amount you pay directly to the provider when you receive certain in-network services; for example, the $30 you pay for a physician’s office visit. The medical plan pays the balance of the cost. Your in-network medical copays for the Choice Plus plans accumulate toward your in-network out-of-pocket maximum.

For health services, the following three terms are used. The most important thing to remember is how these three terms work together when you study the Medical Plan Comparison Chart on page 21.

<table>
<thead>
<tr>
<th>Deductible</th>
<th>Coinsurance</th>
<th>Out-of-Pocket Maximum</th>
</tr>
</thead>
<tbody>
<tr>
<td>• If you have a claim, the deductible is the amount you pay each year before the Plan begins to pay for non-preventive expenses. Copays do not accumulate toward your deductible.</td>
<td>• Once you have paid that deductible, the Plan pays a percentage of the remaining covered medical services. • For example, the Choice Plus 90 option pays 90% for many in-network services. You pay the remaining 10%.</td>
<td>• This feature protects you financially. The “out-of-pocket maximum” limits the amount you pay out of your own pocket each year for covered medical services. • If you seek care from in-network medical providers, when your medical and prescription copays, deductible and coinsurance accumulate to the Choice Plus in-network out-of-pocket maximum, the Plan will pay 100% of in-network covered charges for the remainder of the calendar year. See pages 11-13 for more details on the HSP.</td>
</tr>
</tbody>
</table>

**Precertification:** On the Medical Plan Comparison Chart, you will see the phrase “Precertification required.” This means those services require you to obtain authorization from your medical plan before you receive them. It is your responsibility to obtain precertification prior to receiving medical services. If you are receiving services from an in-network provider, generally your physician will obtain this authorization on your behalf.

**Note:** If you go out-of-network, it is your responsibility to obtain precertification.

For other benefits terms, please see the “Benefits Glossary” in this booklet, or online at [http://hr.columbia.edu/find-out-about/benefits/references-resources/glossary-terms](http://hr.columbia.edu/find-out-about/benefits/references-resources/glossary-terms).
The Health Savings Plan (HSP)

Columbia University offers the Health Savings Plan (HSP), a plan that provides comprehensive coverage through UnitedHealthcare, with low monthly contributions. In exchange for lower contributions, the HSP deductible and out-of-pocket maximum are higher. The HSP can be paired with a Health Savings Account (HSA) which gives you the opportunity to set aside pre-tax dollars into a savings account to pay for medical expenses not covered by the HSP. If you elect both the HSP and the HSA, you can use the account to pay for eligible medical expenses now or in the future. Note: If you enroll in the HSA, then you cannot enroll in the Healthcare FSA at the same time.

What You Need to Know About the HSP: In-Network

- Preventive medical care is covered at 100% with no deductible when you use an in-network provider.
- For non-preventive care—and non-preventive drugs—you pay for your expenses until you reach your deductible: $1,500 for individual coverage or $3,000 for family coverage.
- **You must first meet your deductible: $1,500 for individual coverage or $3,000 for family coverage for your medical and prescription drug expenses before the HSP begins to pay for covered services.**
- If one or more family members are covered in addition to yourself, you reach the family deductible when total expenses reach $3,000, no matter how the expenses are spread across the family. The entire $3,000 family deductible must be met, even if only one family member has claims. There is no individual deductible when you elect family coverage.
- After you reach the deductible, any additional medical expenses are shared between the Plan and you as “coinsurance.” The Plan's coinsurance is 90% and your coinsurance is 10%.
- When your coinsurance, plus deductible and prescription copays, reaches the out-of-pocket maximum, the Plan pays 100% of your remaining in-network covered medical services, including prescription drug costs, for the rest of the calendar year. The “out-of-pocket maximum” for in-network expenses is $3,550 for individual coverage or $7,100 for family coverage. For family coverage, the entire $7,100 out-of-pocket maximum must be met, even if only one family member has claims.
- You have access to UHC's Choice network of providers for care.
**Prescription Drug Coverage Under the HSP**

Prescription drug coverage is integrated with the HSP medical coverage. This means you pay the entire cost for your non-preventive prescription drugs until you meet the HSP deductible. Once the deductible is met, the prescription drug copay applies.

If you use an OptumRx* participating pharmacy, you will receive a discount on the cost of your prescription drugs.

**Drugs That Bypass the Deductible:** Prescription drugs that are categorized as "preventive" under federal guidelines are not subject to the HSP deductible, so you are only responsible for paying the appropriate copay, which accumulates toward the HSP out-of-pocket maximum.

The following list, which is subject to change, provides the therapeutic classes of prescription drugs, and the conditions for which drugs may be prescribed, that are considered "preventive" under federal guidelines.

- Anticoagulants
- Antihypertensive Agents (High Blood Pressure)
- Asthma/COPD
- Cholesterol Lowering Agents
- Diabetes
- Heart Disease
- Hepatitis C
- Immunosuppressant Agents
- Mental Health/ Substance Abuse Agents
- Osteoporosis
- Prenatal Vitamins
- Thyroid Disease

To check if your prescription is considered “preventive,” please call OptumRx at 800-232-9357.

The chart below summarizes the prescription drug coverage under the HSP:

<table>
<thead>
<tr>
<th></th>
<th>Preventive Drugs</th>
<th>Non-Preventive Drugs</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Retail pharmacy</strong></td>
<td></td>
<td></td>
</tr>
<tr>
<td>(up to 30-day supply)</td>
<td></td>
<td>Subject to HSP in-network deductible; then Rx copays apply</td>
</tr>
<tr>
<td></td>
<td>• $10 generic</td>
<td></td>
</tr>
<tr>
<td></td>
<td>• $25 single-source brand</td>
<td></td>
</tr>
<tr>
<td></td>
<td>• $45 multi-source brand</td>
<td></td>
</tr>
<tr>
<td><strong>Home delivery:</strong></td>
<td></td>
<td></td>
</tr>
<tr>
<td><strong>mail-order</strong></td>
<td></td>
<td></td>
</tr>
<tr>
<td>(up to 90-day supply)</td>
<td></td>
<td>Subject to HSP in-network deductible; then Rx copays apply</td>
</tr>
<tr>
<td></td>
<td>• $15 generic</td>
<td></td>
</tr>
<tr>
<td></td>
<td>• $50 single-source brand</td>
<td></td>
</tr>
<tr>
<td></td>
<td>• $90 multi-source brand</td>
<td></td>
</tr>
<tr>
<td><strong>Infertility coverage</strong></td>
<td>N/A</td>
<td>Subject to HSP in-network deductible; then Rx copays apply</td>
</tr>
<tr>
<td>(oral and injectable medication)</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

**Note:** Prescription drug copays and the deductible accumulate toward the HSP’s in-network out-of-pocket maximum. Therefore, once you reach the annual out-of-pocket maximum, the Plan pays 100% of the cost of prescription drugs (preventive and non-preventive), in addition to paying 100% of the cost of in-network medical services.

*OptumRx is part of the UnitedHealth Group.*
Health Savings Account (HSA)

If you elect coverage under the HSP, you may also elect a Health Savings Account (HSA). It is important to keep in mind that you can only use HSA funds after you have contributed them.

You can contribute money to your HSA on a pre-tax basis through payroll deductions. Each year, you can contribute up to $3,400 for Yourself Only coverage and $6,750 for Yourself and Spouse/Same-Sex Domestic Partner/Child or Family coverage. Any unused balance accumulates year over year. You can manage both your HSP and your HSA at www.myuhc.com.

Qualified medical expenses that may be paid through your HSA on a tax-free basis include: most medical care and services; dental and vision care; prescription drugs; and premiums paid for COBRA, long-term care and medical and prescription drug expenses as a retiree, including Medicare premiums. You can see a complete list of eligible expenses at www.irs.gov (Publications 969 and 502).

- Optum Bank, a subsidiary of UnitedHealth Group, is the administrator of the HSA.
- You can reach Optum Bank by calling UHC customer service at 800-791-9361 or at www.optumbank.com.
- You can change your HSA elections at any time during the year.
- The HSA is your personal account even if you change health plans, leave Columbia or retire.
  - You do not pay taxes on the money you withdraw to pay for current and/or future qualified healthcare expenses.
  - Withdrawals for non-qualified expenses are subject to taxes and an additional 20% penalty if you’re under age 65. For more details, go to https://www.optum.com/content/dam/optum/Employer/50+HSA_Planning_Guide.pdf.
  - You should keep careful records of your healthcare expenses and the corresponding withdrawals from your HSA, in case you need to provide proof to the IRS to support your account distributions reported on Form 8889 with your annual IRS tax return.
  - If you have an account balance of at least $2,000, you can choose to invest among multiple investment options with the balance over $2,000. Any earnings are automatically reinvested and grow tax-free.
HSA Restrictions

When Electing an HSA

- Under IRS regulations, if you enroll in the HSA, you cannot participate in any healthcare Flexible Spending Account (FSA) (including rollover amounts).
  - In addition, if your spouse participates in a Healthcare FSA that permits reimbursement of your unreimbursed medical expenses, you will not be eligible to establish or contribute to an HSA until you are no longer covered by your spouse’s Healthcare FSA.
  - You will not be eligible to establish or contribute to an HSA if you are covered by another medical plan option that is not an HSA-qualified HSP (e.g., a spouse’s employer’s non-HSP coverage).
- You can contribute to the HSA if you are over age 65, but only if you are not enrolled in any Medicare benefits (including Part A).

Important for Same-Sex Domestic Partners

IRS rules do not allow you to use your HSA to reimburse yourself for the expenses of your same-sex domestic partner or his/her children.

Funding Your HSA

Here’s how you can save using your HSA:

- Pre-tax contributions. You can elect automatic payroll deductions on a pre-tax basis to fund your account. You cannot elect to pre-fund your HSA at the beginning of the year. Your annual elections will be deducted in equal installments throughout the calendar year. **You can change your contribution amount at any time.** Keep in mind that the total amount of your contributions cannot exceed $3,400 for **Yourself Only** coverage and $6,750 for **Yourself and Spouse/Same-Sex Domestic Partner/Child or Family** coverage.
- Catch-up contributions. If you are at least age 55 and are not enrolled in Medicare, you can make “catch-up” contributions to your HSA. The maximum catch-up contribution is $1,000.

**Note:** If you are considering after-tax HSA contributions, you may want to consult with a tax adviser or financial professional.
How to Access Your HSA Funds

You can choose to pay your bills out of your own pocket or through your HSA. If you choose to pay through your HSA, you can use:

- Your Optum Bank HSA Debit Mastercard;

For example, you could use your HSA debit card to pay for prescription drugs at the pharmacy.

**Important:** You cannot access funds in your HSA until you have contributed them. You need to build up your HSA contributions—made through payroll deductions—before taking money out of your HSA for eligible expenses. Your HSA funds will be available as soon as administratively possible after Columbia has sent your semi-monthly payroll deductions to Optum Bank.

It is important that you check your balance before you use your HSA debit card. You will be charged a $2.50 fee if you withdraw money from any ATM machine and a fee if your card is declined for insufficient balance. Access fees may also apply, depending on the ATM owner. To check your HSA balance, go to www.myuhc.com and select “Claims & Accounts,” then “Health Savings Account”; or for additional questions, call 800-791-9361 to speak with a UHC representative.

**ID Cards**

**Medical and Prescription Drugs**

If you enroll in medical benefits, you will receive a new UnitedHealthcare ID card. This card will include member information for your Medical and Prescription drug coverage. It takes approximately four weeks for new hires to receive an ID card. If you need a temporary ID card sooner, go to www.myuhc.com two weeks after you complete your benefits enrollment to download and print your temporary card.

**Dental**

**For Dental benefits, Aetna will not mail you an ID card.** Instead, they will mail you a letter confirming your enrollment. When you go to the dentist, you can show the office a copy of that letter, or tell the office your name, date of birth and Member ID# (or your Social Security Number). If you still prefer to have an ID card, sign up on Aetna’s member website to print out a card for you and your dependents.

**Vision**

If you use the Vision benefit, you may be asked for your Vision ID number, which is the same ID number that is on your UHC Medical ID card.
Helpful Resources

Care Management and UnitedHealthcare Outreach

If you participate in the medical plan options, you are eligible to participate in a care management program. This program will help you and/or your family members become more knowledgeable and active in managing a medical condition. Participation in the program is voluntary and there is no cost to participate. You will receive a call from a UHC representative to discuss your condition, and partner with you on your road to recovery (or managing your condition).

Health4Me “YOUR Family’s health care resources, in your hands.”

UnitedHealthcare’s Health4Me™ app provides instant access to your family’s critical health information—anytime and anywhere. Whether you want to find a physician near you, check the status of a claim or speak directly with a healthcare professional, Health4Me is your go-to resource. Key features allow you to check the status of deductible and out-of-pocket spending, as well as locate convenience clinics, urgent care facilities and emergency rooms.

UnitedHealthcare Pre-Member Website

The website [http://columbia.welcometouhc.com/home](http://columbia.welcometouhc.com/home) provides a number of helpful resources and a plan overview, including a provider search tool. Additionally, the website includes a list of the physicians participating in the Columbia custom network.

UnitedHealthcare Member Services

The Advocate4Me team is available to help you with medical claims and billing inquiries, as well as general medical and behavioral health benefits questions. For assistance, please call 800-232-9357.

To learn more about these resources, go to [http://hr.columbia.edu/officers-health-welfare](http://hr.columbia.edu/officers-health-welfare) and select “UnitedHealthcare Resources.”
Choice Plus Plans – UnitedHealthcare (UHC)

Columbia offers three different Choice Plus medical plan options—80, 90 and 100—so that you can choose the Plan that best suits your needs.

With any of these plans, you have the flexibility to use in-network or out-of-network providers each time you seek care. However, you can minimize your out-of-pocket expenses when you use in-network providers.

**In-Network Coverage:** For the 80, 90 and 100 medical plan options, when you use UHC network providers, you pay a $30 copay for physician office visits (including specialists and urgent care). Preventive care is covered at 100% with no deductible for in-network services. The deductible, coinsurance and all medical and prescription drug copays accumulate toward your annual out-of-pocket maximum.

**Choice Plus 80**

Preventive care is covered at 100%. Other than preventive care and copays, for most in-network medical services you must meet an annual deductible of $600 per member before the Choice Plus 80 plan pays the coinsurance of 80% of the negotiated fee; you are responsible for the remaining 20% of the coinsurance. After you reach the in-network out-of-pocket maximum of $3,750 for an individual and $7,500 for a family, the Choice Plus 80 plan pays 100% of covered in-network medical charges and prescription drug copays for the remainder of the calendar year. Most out-of-network services are covered at 60%* after the annual deductible of $850 per member.

**Choice Plus 90**

Preventive care is covered at 100%. Other than preventive care and copays, for most in-network medical services you must meet the annual deductible of $400 per member before the Choice Plus 90 plan pays the coinsurance of 90% of the negotiated fee; you are responsible for the remaining 10% of the coinsurance. After you reach the in-network out-of-pocket maximum of $3,250 for an individual and $6,500 for a family, the Choice Plus 90 plan pays 100% of covered in-network medical charges and prescription drug copays for the remainder of the calendar year. Most out-of-network services are covered at 60%* after the annual deductible of $850 per member.

**Choice Plus 100**

The Choice Plus 100 plan has a $200 deductible for most in-network services. Copays apply for certain services and in some cases are dependent on where the service is received. For example, inpatient hospital services require a $500 per admission copay; outpatient hospital services, including lab and radiology, require a $150 copay.** In addition, after you reach the in-network out-of-pocket maximum of $4,750 for an individual and $9,500 for a family, the Choice Plus 100 plan pays 100% of covered in-network medical charges for the remainder of the calendar year. Most out-of-network services are covered at 60%* after the annual deductible of $850 per member.

Whenever you are having diagnostic or preventive tests, be sure to ask your physician if he/she is referring you to a provider who is in-network.

---

* 190% of the Medicare Maximum Allowable Charge (MAC)
** The $150 outpatient hospital copay does not apply if you obtain your lab and/or radiology at certain New York Presbyterian (NYP) locations. See the list of NYP participating locations at [http://hr.columbia.edu/forms-docs/search](http://hr.columbia.edu/forms-docs/search) (under “NYP”).
Out-of-Network Reimbursement

For the Choice Plus 80, 90 and 100 medical plans, the out-of-network expenses are always handled the same way, as outlined below:

- You are responsible for obtaining precertifications from UHC before most non-office visit treatment begins (unless it is an emergency). If you do not request precertification before having inpatient or outpatient surgery and/or certain treatment, you will be subject to a $500 penalty. If you are having trouble finding providers and/or services in the network, please call UHC at 800-232-9357. In an emergency, if you or your covered dependent is admitted to a non-network hospital, you must contact UHC within 48 hours of admission or you will be subject to a $500 penalty.

- Before the Plan starts to pay anything for out-of-network services, you must meet your out-of-network deductible.

- Then the Plan pays coinsurance of 60%* of remaining covered charges. However, that does not mean that the Plan will pay 60%* no matter how much you were charged. Columbia's plans pay no more than 60%* of 190% of the Medicare Maximum Allowable Charge (MAC).

- If you reach the out-of-network out-of-pocket maximum, the Plan will pay 190% of the Medicare MAC.

Medicare Maximum Allowable Charge Example

Out-of-network services in the healthcare plans are indexed to 190% of the Medicare MAC. Out-of-network services for all medical plan options are reimbursed at 60%* of 190% of the Medicare MAC.

Here’s an example: Your out-of-network physician charges you $200 for an office visit. The claim submitted to UHC has a billing code of 99212 (office visit for an established patient in ZIP code 10010 in New York City). 190% of the Medicare MAC for this billing code is $94.77. Therefore, $94.77 (not $200) is the basis for the out-of-network reimbursement.

- If you had not met the out-of-network annual deductible, you would be responsible to pay the full $200, and $94.77 would be applied to the out-of-network deductible.

- If you had already met the out-of-network annual deductible, the Plan would pay the coinsurance of 60% of $94.77, which is $56.86. Your share of the coinsurance is 40% of $94.77, which is $37.91. You are also responsible to pay the amount in excess of the 190% of the Medicare MAC; that is $200 - $94.77 = $105.23. In total, therefore, you would pay $37.91 + $105.23 = $143.14. The amount counted toward your out-of-network out-of-pocket maximum would be $37.91.

- If you had met the out-of-network annual out-of-pocket maximum, the medical carrier would pay 190% of the Medicare MAC ($94.77), and you would be responsible for the balance ($105.23).

Please note that the charges in excess of 190% of the Medicare MAC (in this example, $105.23) do not count toward the out-of-network out-of-pocket maximum.

For information on specific Medicare MAC(s) talk to your physician or his/her office staff.

*70% for outpatient mental health/substance abuse services
Providers can bill you for any unpaid balance for amounts above these limits, and you are solely responsible for these payments.

- Any charges exceeding plan limits do not count toward the out-of-pocket maximum, including any charges exceeding 190% of the Medicare MAC.
- You can find out how much you will be reimbursed for out-of-network services before you seek treatment by first asking your physician for the medical "procedure code" along with the associated fee. Then, call UHC's member services to request an estimate of their reimbursement.

**Virtual Visits**

Get online access to virtual physicians 24/7 through your mobile phone, tablet or computer. Speak with a physician in real-time to obtain a diagnosis or a prescription drug, if necessary.

To learn more about Virtual Visits, go to [http://hr.columbia.edu/virtual-visits](http://hr.columbia.edu/virtual-visits).

### Medical Plan Comparison Chart

**Important Notes:** UnitedHealthcare’s (UHC) Choice network is a national provider network and does not require a primary care physician or referrals to see specialists. UHC requires precertification for some services. If you use an in-network provider, your participating network physician or hospital generally handles the precertification process. However, it is your responsibility to confirm that your provider has obtained the necessary authorizations from UHC. If you see a provider who is out-of-network, you are responsible for obtaining precertification for most services except routine office visits. Check your Summary of Benefits and Coverage (SBC) and Summary Plan Descriptions (SPDs) available online at [http://hr.columbia.edu/forms-docs/nyp-outpatient-laboratory-locations](http://hr.columbia.edu/forms-docs/nyp-outpatient-laboratory-locations).

</table>

* Out-of-network coinsurance reimbursement is indexed to 190% of the Medicare Maximum Allowable Charge (MAC), including expenses in excess of the out-of-network out-of-pocket maximum.

** No copay for Lab and Radiology at certain designated NYP locations. See the list of NYP participating locations at [http://hr.columbia.edu/forms-docs/nyp-outpatient-laboratory-locations](http://hr.columbia.edu/forms-docs/nyp-outpatient-laboratory-locations).

Note: In the Choice Plus plans, in-network deductible, coinsurance and medical and prescription copays accumulate toward the in-network out-of-pocket maximum. In the HSP, the in-network deductible, coinsurance and prescription copays accumulate toward the in-network out-of-pocket maximum.
Vision Coverage

All employees and their covered dependents who participate in any of Columbia’s medical plan options are covered by a vision benefit.

</tr>
</tbody>
</table>

*Child is defined as a member less than age 19.

**Available for either frames and lenses or contact lenses.

Provider might require payment in full at the time of service. The patient then submits a claim to UHC for reimbursement.

For a listing of vision providers, log in to www.myuhc.com and click “Benefits & Coverage,” “Vision” and then “Vision Benefit highlights.” You will be taken to the UHC Vision website where you can search for a vision provider under “Find a Provider.”

ID Card

You do not need a vision ID card to use your benefits. Your vision ID number is the same ID that is on your UHC Medical card. However, if you would like one, you may print one from the vision website. Go to myuhc.com and select “Vision” from the “Benefits & Coverage” tab, then click “Vision Benefit highlights” and you will be taken to the UHC Vision website.
When you enroll in any Columbia medical plan option, you are automatically enrolled in the following OptumRx Prescription Drug Plan. If you enroll in the HSP, be sure to read “Prescription Drug Coverage Under the HSP” on page 12.

Is a Drug “Single-Source” or “Multi-Source”?  
- If both a generic and brand name prescription are available, this is a multi-source drug.  
- If no generic is available, this is a single-source drug.

To find out if a drug is single-source or multi-source, ask your pharmacist or contact OptumRx at 800-232-9357 or www.myuhc.com. Keep in mind that your prescription may move from “single-source” to “multi-source” during the year if the U.S. Food and Drug Administration (FDA) approves a generic equivalent drug.

Specialty medications must be ordered through BriovaRx, an OptumRx Specialty Pharmacy. BriovaRx will mail your prescription to you at the address of your choice. For your privacy, the package is delivered in a non-labeled box. Call 855-427-4682 to speak to a patient care representative.

Prescription Drug Copays

| Retail pharmacy (up to 30-day supply) | $10 generic  
| $25 single-source brand (product not available in generic)  
| $45 multi-source brand (generic and brand both available) |
| Mail-order (up to 90-day supply) | $15 generic  
| $50 single-source brand (product not available in generic)  
| $90 multi-source brand (generic and brand both available) |

Specialty medications must be ordered through BriovaRx Specialty Pharmacy.
Using Your Prescription Drug Benefit

OptumRx administers the Prescription Drug benefits plan. After you enroll in medical benefits, you will receive a Medical ID card which will include your medical and prescription drug plan information.

Retail

You will need to present your ID card at the pharmacy the first time you fill a prescription. You can have up to a 30-day supply of your prescription when filled at a retail pharmacy.

• In New York, New Jersey and certain other states, the pharmacy is required by law to substitute a brand name drug with a generic. If the cost of the generic drug is less than $10, you will only pay the cost of the drug.
• If your physician prescribes the brand-name drug instead of the generic, then you will pay the highest copay, $45. Your physician must request the pharmacist "Dispense as Written" to receive the brand-name drug.
• If no generic is available for your prescription, then your drug is a single-source prescription. Your copay will be $25. You may find participating pharmacies at www.myuhc.com or by calling 800-232-9357.

Mail-Order

Mail-order copays are for up to a 90-day supply. If you take medication on a regular basis for conditions such as high blood pressure or asthma, the mail-order option will be less expensive than the retail option. To use mail-order, go to www.myuhc.com or call 800-232-9357.

After you have enrolled in the OptumRx mail-order program, you can refill prescriptions easily, either online or over the phone.

If you are taking a specialty medication, contact BriovaRx at 855-427-4682.

If you use a pharmacy other than BriovaRx, you will be subject to the full cost of the medication instead of mail-order copays.
Wellness

There is nothing more important than your health. Becoming fit and healthy can be a challenge. Wellness programs are about inspiring you to care about your health, to find time in your schedule, choose the right activity to meet your goals and then help you stay motivated so that you stay on track. To help you find your path to good health, Columbia University offers wellness resources to help you to eat right, exercise more, stop smoking or just relax.

The following programs are provided at no cost to you.

**UHC**

- **Members** can register at [http://welcometouhc.com/columbia](http://welcometouhc.com/columbia) for the UHC wellness portal—[http://columbia.welcometouhc.com/tools/programs](http://columbia.welcometouhc.com/tools/programs). This portal gives you access to self-care goals, and includes a health assessment, personal health record, online coaching and health and wellness information.

- **NurseLine** – 800-232-9357. This 24/7 toll-free telephone line gives you access to registered nurses who can help you with symptom and condition support, provider referrals, medication information, an audio information library and many more services.

- **Women’s Health Programs Available through UHC:**
  - **Maternity Support Program.** This program helps ensure you and your baby receives the best care from pregnancy through the first few months of the baby’s life.
  - **Reproductive Resource Services.** If you are one of the millions of people dealing with infertility, this program can help through education and guidance. A team of specialized nurse consultants can work with you throughout the treatment process.
  - **Neonatal Resource Services.** If your baby is born preterm or with a serious health problem, this program provides a dedicated team of nurse case managers, social workers and other services.

To learn more about these resources, go to [http://hr.columbia.edu/womens-health-programs](http://hr.columbia.edu/womens-health-programs).

- **LiveandWorkWell** – myuhc.com. This behavioral health website provides confidential help when coping with grief and loss, managing relationship difficulties and dealing with anxiety, stress and depression.

- **Digital Health Website.** You can use this service if you own or want to purchase a fitness tracker (such as a Fitbit). The Rally Digital Health service lets you take a health survey, sign up for health challenges and health missions—and much more.

**Office of Work/Life**

- **Walk to Wellness** – Eight-week, instructor-led walking program with pre- and post-fitness assessments.

- **Mindfulness Training for Stress Reduction** – Seven-week mindfulness meditation training that teaches you techniques of focus, calm and insight.

- **Weight Watchers at Work** – Weekly weight management support group that includes private weigh-ins and focuses on healthy eating, fitness and building inner strength and resilience.

- **Wellness Discounts** – Discounts for gym memberships, bicycling—and more.

For more information on the various Work/Life programs and other Wellness initiatives at the University, read the Work/Life section, visit [www.worklife.columbia.edu](http://www.worklife.columbia.edu) or call 212-854-8019.
Cigna International Plan

The Cigna International Plan is a medical plan option for which you may be eligible, if you are out of the U.S. for an extended period of time (six months or more), provided you receive pay through Columbia University's U.S. payroll. You must be covered under this option to cover any dependents under this Plan.

If you are enrolled in one of the Columbia University medical plan options (the Choice Plus plans or the HSP with UHC), it is important to know that these plans provide overseas coverage for emergencies only, while the Cigna International Plan provides comprehensive coverage while you are outside of the U.S.

Some of the benefits of Cigna International's coverage include:

- Easy access to comprehensive, quality healthcare around the world
- Around-the-clock support, regardless of your time-zone
- Connection to the right physician or hospital in your area 24/7
- When you need assistance, contact Cigna anytime by phone or fax. Collect calls are accepted anytime

If you believe you are eligible for this medical plan option, please contact the Columbia Benefits Service Center at 212-851-7000 for more information.

If you travel 100 miles or more from home or abroad and need emergency travel assistance, refer to Cigna “Emergency Travel Assistance.”

Medical Benefits Abroad (MBA)

The Cigna International Medical Gap Plan, called “Medical Benefits Abroad (MBA),” provides faculty and staff traveling on international business for six months or less with medical coverage. It is administered in conjunction with International SOS. The program provides full coverage for medically necessary services, without deductibles, coinsurance or copays. The Plan also includes emergency dental coverage up to a $1,000 limit. Preventive and routine care is not covered under this policy. For more information, go to http://globaltravel.columbia.edu/content/health-insurance.
Contributions are the amount you pay toward the cost of your medical, vision and prescription drug coverage through pre-tax payroll contributions. Your healthcare contributions are deducted from your pay before any taxes are taken out.

**Same-Sex Domestic Partner Tax Credit**

Federal income tax rules require that your contributions toward the coverage of a same-sex domestic partner be deducted from your pay on an after-tax basis. In addition, University contributions toward the total cost of coverage for your same-sex domestic partner are taxable to you. To assist with this tax burden, if you are eligible for same-sex domestic partner medical coverage and you elect coverage, Columbia will provide a credit of $1,000 per year ($41.67 per pay period), beginning the pay period following the effective date of your election.

Your pre-tax contributions are based on which plan you select, who you cover and your Annual Benefits Salary. Your Annual Benefits Salary is calculated as of July 1 each year and is the greater of (a) your base salary or (b) your prior 12 months’ compensation from the University as of June 30 each year, including certain approved additional and private practice compensation, and excluding any Housing allowance.

The Aetna Columbia Dental Plan provides you with the flexibility to see Columbia University College of Dental Medicine faculty and alumni, called the Columbia Preferred Dental Network, along with the national Aetna PPO network of dentists, all under one comprehensive program. You may also see a dentist outside of the network, although your cost will be significantly higher whenever you use out-of-network dentists.

### Important Information About Out-of-Network Reimbursement

*The percentage paid by Aetna Dental is limited to the network-negotiated fees. This means if you use an out-of-network dentist, your reimbursement will be based on the network fees for the services provided. For example, if your dentist bills you $800 for a crown but the network-negotiated fee is $400, you will be reimbursed for 50% of the $400 (the network-negotiated fee) totaling $200. You are responsible for paying the balance of $600 to your out-of-network dentist.

Using the Columbia Preferred Dental Network

When you use a dentist who participates in the Columbia University network, you receive a greater benefit for services. To locate a Columbia Preferred dentist, go to http://hr.columbia.edu/benefits-vendor-contacts. Columbia Preferred dentists are located throughout the Tri-State area of New York, New Jersey and Connecticut.

Columbia Preferred dentists accept reimbursement for services covered at 100% as payment in full. You are not responsible for paying any fees that exceed the network-negotiated fees. You also do not have to submit any claim forms when you use a network participating dentist.

Using the Aetna Dental Network

If you see an Aetna participating dentist, you will not be billed for any fees that exceed the Aetna negotiated amount. To locate an Aetna participating dentist, go to http://hr.columbia.edu/benefits-vendor-contacts.

Dental ID Cards

Aetna will not mail you an ID card after you enroll. Instead, they will mail you a letter confirming your enrollment. When you go to the dentist, you can show the office a copy of that letter, or tell the office your name, date of birth and Member ID# (or your Social Security Number). If you still prefer to have an ID card, sign up on Aetna’s member website at www.aetna.com to print out a card for you and your dependents.
The Employee Assistance Program (EAP) is a network of services to help you and your household members cope with issues that you experience in everyday life. The EAP, provided by Humana, also offers short-term confidential counseling, wellness resources and different tools to help you be successful in the workplace. You do not have to be covered by a Columbia University medical plan to take advantage of the EAP. You, and members of your household, can receive assistance with a wide variety of services, including:

- Confidential 24/7 counseling and referral services
  - Short-term counseling of up to three sessions per topic (e.g., stress, anxiety or relationship issues)
  - Phones answered by licensed Master’s or Ph.D.-level mental health/substance abuse professionals and, if needed, referral to a network of more than 20,000 counselors available nationwide
- Adult/Elder Care research and referral services
- Life Coach. A personalized program to help you achieve lifestyle goals. Meet with a coach by phone, email or online chat
- Convenience Services. Research and referrals for every day needs (e.g., travel arrangements, pet care, movers and restaurant recommendations)

Additional online services include: Text4Baby, the Spendless Discount Program and CaringBridge.

**Free to you:** Columbia University assumes all costs for initial assessment and confidential counseling sessions through the EAP for up to three counseling sessions per subject. If additional assistance is necessary, the counselor will give you referrals, taking into account your preferences, Medical Plan and financial circumstances.

**Stressed Out? Financial Worries? Elder Care Issues?**

These are just a few of the reasons to call the EAP. Free, confidential help and support is available 24/7.

Call **888-673-1153**; TTY: **711**
Or log in to: [www.humana.com/eap](http://www.humana.com/eap)
Username: **Columbia**; Password: **eap**
Flexible Spending Accounts (FSAs)

Flexible Spending Accounts allow you to set aside pre-tax money to reimburse yourself for eligible healthcare and dependent day care expenses. **You must enroll within 31 days of hire and you must also re-enroll during Benefits Open Enrollment each year to take advantage of FSAs.**

Columbia University offers two types of FSAs that are administered by UHC:

- **Healthcare FSA** for eligible healthcare expenses, including medical, prescription drug or dental copays and deductibles, as well as vision or hearing services. For a list of eligible expenses, please visit [www.myuhc.com](http://www.myuhc.com) or IRS Publication 502.

- **Dependent Care FSA** for eligible child or adult day care expenses for your dependents, such as licensed day care centers and nursery schools, before-school or after-school programs and home attendants. **(Note: for dependents’ health-related expenses, use the Healthcare FSA.)**

**How FSAs Work**

FSAs allow you to set aside pre-tax money to reimburse yourself for eligible expenses. Since your FSA contributions reduce your gross taxable income, you pay lower taxes and take home more money.

If you elect an FSA, you contribute to it in equal installments each pay period throughout the calendar year.

You cannot change your election amount during the calendar year unless you have a Qualified Life Status Change. Please refer to "Making Changes to Your Benefits" for more details.

**Health Care Spending Card**

After you elect the FSA, UHC will send two Health Care Spending Cards in your name to your home mailing address. These cards are linked to any Healthcare and Dependent Care FSA accounts you elect.

When you incur an eligible healthcare or dependent care expense, you can use your Health Care Spending Card to pay for the expense at participating locations. The card can be used for eligible expenses, such as prescription drugs or office visit copays.

If you do not use your card at the time of purchase, keep your receipt(s). You may need to submit an out-of-network medical claim to UHC so you can 1) be reimbursed for the out-of-pocket expense from your FSA; and/or 2) to substantiate your expenses with UHC if you are manually filing a claim.

**Don’t Lose Out on Tax Savings**

Using either the Healthcare FSA or the HSA could save you hundreds of dollars on eligible healthcare expenses, such as deductibles and orthodontia. To learn more, go to [http://hr.columbia.edu/officers](http://hr.columbia.edu/officers) and click “CU Benefits Enrollment System” to use the tool “Estimate HSA or FSA Tax Savings.”
You can request reimbursement by:

- Submitting a claim form to receive reimbursement from your FSA. Claim forms can be found at [http://hr.columbia.edu/officers-spending-accounts](http://hr.columbia.edu/officers-spending-accounts) or [www.myuhc.com](http://www.myuhc.com). You may mail or fax the form to UHC directly.
- Submitting claims for reimbursement directly online via [www.myuhc.com](http://www.myuhc.com). Claims submitted online are processed in three days or less, which can mean faster reimbursement. You can even submit multiple expenses and receipts for different members of the family all at once. See the document “Online Claim Submission” at [http://hr.columbia.edu/officers-spending-accounts](http://hr.columbia.edu/officers-spending-accounts) for additional information.

When you submit a claim, you will receive a check at your home mailing address or you can sign up for direct deposit of your FSA claims by visiting [www.myuhc.com](http://www.myuhc.com) and enrolling via the secure website. See the document “FSA Direct Deposit Form” on [http://hr.columbia.edu/officers-spending-accounts](http://hr.columbia.edu/officers-spending-accounts).

**Convenient Automatic Reimbursement**

UHC has a convenient automated feature that processes medical, dental, vision and prescription drug claims—and then automatically sends Healthcare FSA participants reimbursement checks for their out-of-pocket costs if those claims were submitted to the Columbia University health plans. If you are enrolled in a Columbia-provided medical and/or dental plan, you will be automatically reimbursed for most medical, prescription, vision and dental out-of-pocket expenses.

**Opting out of automatic reimbursement.** If you prefer to manage your FSA funds and choose which expenses are reimbursed, you can opt out of the claim auto-rollover at any time by logging in to [www.myuhc.com](http://www.myuhc.com). If you opt out, you will need to file reimbursement claims online or manually with UHC. **Note:** You must opt out of the claim auto-rollover each year.

---

**Make the Most of Your FSA with myuhc.com**

If you are covered under a Columbia-provided medical plan:

1. Go to [myuhc.com](http://myuhc.com) and click on “Register Now.”
   - Your health plan ID card includes information you will need to register. Or, you can register using your Social Security Number and date of birth.

2. Click on “View Account Balances,” then select “Flexible Spending Account(s).”

**Don’t have a Health Plan with UnitedHealthcare?**

You do not need to be a member of a Columbia Health Plan to participate in an FSA. To manage your FSA expenses, you can register using your Social Security Number and date of birth. Under group/account number, enter “902784.”
Forfeiture Rule

The IRS has strict rules regarding FSAs. It is important to estimate your expenses carefully, incur your claims by December 31 and make sure that your claims for the calendar year are received by the FSA administrator (UHC) no later than March 31 of the following year. A balance of up to $500 in your Healthcare FSA can be rolled over to the next plan year. However, any money left in your Dependent Care FSA will be forfeited.

Eligibility Regarding Same-Sex Domestic Partners

IRS regulations do not allow you to use money for FSAs for expenses incurred by or on behalf of same-sex domestic partners, or their children, unless they qualify as your legal tax dependents.

Healthcare FSA

The current IRS limit for the Healthcare FSA is $2,550.* You can elect between $120 and $2,550* in this account to cover out-of-pocket eligible healthcare expenses for yourself, your spouse and your children, even if you do not elect to cover them under Columbia University benefits plans.

If you are hired after the beginning of the year, you can elect to contribute the maximum contribution limit ($2,550*) provided you have not contributed during the year to an FSA with Columbia University. If you are married, your spouse may also contribute $2,550* to an FSA sponsored by his/her employer. The full annual election amount is available for claim reimbursement as of your account’s effective date. You may elect a Healthcare FSA even if you are enrolled in Medicare.

Note: To be eligible to participate in the Healthcare FSA, children must be your dependents for income tax purposes. You can use your Healthcare FSA for many of your healthcare expenses, such as:

- Medical, vision and dental plan deductibles and coinsurance
- Copays for office visits and prescriptions
- Out-of-network medical expenses above 190% of Medicare MAC
- Prescription eyeglasses, sunglasses, Lasik surgery, contact lenses and solution

For More Information

To learn more about the Healthcare FSA, go to [http://hr.columbia.edu/officers-spending-accounts](http://hr.columbia.edu/officers-spending-accounts) for:

- General Healthcare FSA Questions — search for “UHC FSA Enrollment Brochure.”
- A List of Eligible Healthcare FSA Expenses — search for “Eligible FSA Expenses.”

If your medical expenses exceed 7.5% of your adjusted gross income and you itemize deductions, you may be better off deducting your expenses from your income tax rather than using either the Healthcare FSA or the HSA. You may want to consult with a tax adviser or financial professional to determine which works best for you.

*IRS limits are subject to change.
Healthcare Flexible Spending Account (FSA) vs. Health Savings Account (HSA)

IMPORTANT: The IRS does not permit you to elect both a Healthcare FSA and an HSA. If your spouse has one of the two—for example, through another employer—you cannot elect another type of tax-savings vehicle. This rule does not apply to domestic partners because the IRS does not allow the use of either account for the expenses of a domestic partner. If you have a balance of $500 or less rolled over from your Healthcare FSA from 2016, you will automatically be enrolled in a Healthcare FSA in 2017. However, if you would like to contribute the maximum allowable amount in 2017, you must enroll in the Healthcare FSA during Open Enrollment.

<table>

* If you enroll in Medicare, you cannot make new contributions to the HSA; however, you can use any accumulated HSA funds to pay for eligible medical expenses.
**In the FSA, you must incur claims or expenses by December 31 each year or any balance over $500 will be forfeited. Balances of $500 or less will roll over to the next calendar year if you remain a benefits-eligible employee at Columbia University.
Dependent Care FSA

The Dependent Care FSA helps you pay the cost of dependent day care services for an adult or child because you work or attend school. If you are married, your spouse must also work or go to school while you are at work in order to qualify for this coverage. You can contribute up to $5,000* to a Dependent Care FSA. If you are married, the IRS has several guidelines that might affect how much you can deposit:

- If your spouse also has a Dependent Care FSA at work and you file a joint tax return — your combined deposits cannot exceed $5,000.
- If you are married and file separate income taxes — the most you can contribute is $2,500.
- If your prior year W-2 earnings exceed $120,000 — Columbia Benefits may contact you to inform you whether your contributions must be capped as a result of mandatory IRS testing.

You can be reimbursed for the cost of services provided for:

- Dependent children under the age of 13. If your child will turn 13 during the year, you can submit claims only for expenses incurred up to the child’s birthday. You may be eligible to un-enroll from the Dependent Care FSA once your child reaches age 13 as part of a “Change in Dependent Care Cost.”
- Other dependents, including a parent, spouse or spouse’s child who is physically or mentally unable to care for himself or herself.

Eligible dependent care providers* include:

- Qualified child or adult day care centers
- Babysitters
- Summer day camps
- Nursery schools, pre-schools, before-school and after-school programs
- Person who cares for an elderly or disabled person that you claim as a dependent on your tax return

*You must be able to identify the name, address and Social Security Number (SSN) of the person who provides the dependent care. If you use a child or adult day care center, you must simply provide the Taxpayer Identification Number.

Your reimbursement for dependent care cannot exceed the balance in your account at the time of your claim. If the money in your account is insufficient to pay your claim, the balance will be paid later as your pre-tax payroll contributions accumulate in your account. When you incur an eligible dependent care expense, you can use your Health Care Spending Card to pay for the expense at participating locations. The card will only accept expenses up to the balance in your account at the time of use.

If you leave the University or become ineligible for benefits, you can only be reimbursed for expenses incurred prior to your employment end date or the date you become ineligible for benefits. Any remaining funds would be forfeited.

*IRS limits are subject to change.
**Child Care Benefit**

Eligible Officers can elect to receive up to a $2,000 contribution from Columbia to a Dependent Care FSA. If you elect this benefit during the year, you will receive a prorated portion of the benefit.

To be eligible for this benefit, you must meet all of the eligibility criteria below:

- Be a full-time, benefits-eligible Officer with an Annual Benefits Salary of less than or equal to $120,000;*
- Have a dependent child under the age of five and not yet attending kindergarten who:
  - has been verified by the Columbia Benefits Service Center as an eligible dependent; and
  - meets the IRS definition of a tax dependent.
- Elect to participate in the Child Care Benefit as a new hire, during the annual Open Enrollment period or if you experience a Qualified Life Status Change.

There is a limit of a single benefit per family regardless of the number of eligible children, and regardless of whether both parents are eligible Officers. Officers who receive the Child Care Benefit can also contribute personal pre-tax payroll contributions to their Dependent Care FSA. The total contributions between the Dependent Care FSA and the Child Care Benefit cannot exceed the $5,000 annual maximum.

---

**Keep in Mind**

You may use the Dependent Care FSA, the federal tax credit or a combination of both for your eligible dependent care expenses only. Your choice will depend on your family income and the number of dependents you have in eligible day care programs. Generally, if your family’s adjusted gross income exceeds $40,000, you may save more in taxes using the Dependent Care FSA. You can also go to [www.irs.gov/taxtopics/tc602.html](http://www.irs.gov/taxtopics/tc602.html) or consult your tax adviser or financial professional.

---

*IRS limits are subject to change.
The Transit/Parking Reimbursement Program (T/PRP) is a convenient way to pay commuting expenses using pre-tax dollars. You may enroll in the T/PRP at any time during the year. If you would like to newly enroll in or make a change to your T/PRP account, you must do so during Open Enrollment, or your election will not be in place for January 1. This benefit, however, is easy to change during the year.

How the Program Works
You may participate in either the Transit or Parking Reimbursement Program—or both. The T/PRP allows you to set aside pre-tax dollars each paycheck to pay for commuting expenses. You choose a monthly election, which is available to you as of the first of each month. Your contributions will then be deducted in equal installments from your semi-monthly paychecks in the same month. For example, if you choose a Transit account of $130 per month that is effective July 1, you can access the full $130 as of July 1. You will then have a $65 Transit deduction on your July 15 paycheck, and another $65 Transit deduction on your July 31 paycheck.

Any unused funds will roll over from month to month. For example, if you take a vacation during the month of August, the unused August balance will roll over to the following month, September. The funds are available to you as long as your monthly spending does not exceed the IRS allowable monthly amount.

If you leave the University or become ineligible for benefits, you can only be reimbursed for expenses incurred prior to your termination date or the date you became ineligible for benefits. If you use funds that were not deducted from your paychecks, you will be considered responsible for repaying those funds to the University.

When Will My T/PRP Election Take Effect?
If you elect the benefit during Open Enrollment, your T/PRP will be effective January 1 of the upcoming year. If you are a new hire, or if you make a change during the year, the effective date depends on whether the change to your benefits election is before or after the 20th of the month. To illustrate:

- A change made January 10: Because this is before the 20th of the month, your change is effective February 1.
- A change made January 21: Because this falls after the 20th of the month, your change is effective March 1.

How to Access Funds in Your Transit or Parking Reimbursement Account
EBPA will send you an EBPA Benefits Card at your home mailing address. You can access your Transit and/or Parking Account in one of two ways:

- Swipe your EBPA Benefits Card each month for expenses up to the IRS monthly maximum.
- Pay out of pocket and submit a claim form to EBPA. Note, if you are submitting a claim for parking expenses, receipts are required.

You Can Make Changes During the Year
You can make changes to your T/PRP anytime during the year. Just go online to http://hr.columbia.edu/officers and log in with your UNI and password to the CU Benefits Enrollment System. Click on “Update 2017 Transit and Parking Elections.”
Transit Reimbursement Program
You may elect a monthly deposit amount from $10 to $255.* These funds can be used for commuting expenses on any public transit commuter system.

<table>
<thead>
<tr>
<th>Examples of Eligible Expenses</th>
<th>Examples of Ineligible Expenses</th>
</tr>
</thead>
<tbody>
<tr>
<td>• Amtrak</td>
<td>• Transit expenses of your family members</td>
</tr>
<tr>
<td>• Long Island Railroad (LIRR)</td>
<td>• Airfare</td>
</tr>
<tr>
<td>• New Jersey Transit (NJT)</td>
<td>• Amounts that exceed the monthly limit</td>
</tr>
<tr>
<td>• Staten Island Rapid Transit (SIRT)</td>
<td>• Taxi and limo services</td>
</tr>
<tr>
<td>• Metro North Commuter Railroad</td>
<td>• Bridge, tunnel and highway tolls, including E-Z Pass</td>
</tr>
<tr>
<td>• Commuter and suburban express bus services</td>
<td></td>
</tr>
<tr>
<td>• Certain ferry and registered van pool services</td>
<td></td>
</tr>
<tr>
<td>• New York City Transit Authority buses and subways</td>
<td></td>
</tr>
</tbody>
</table>

Parking Reimbursement Program
You may elect a monthly deposit amount from $10 to $255.* These funds can be used to pay for parking if you drive to work or to a location where you board mass transit for work.

<table>
<thead>
<tr>
<th>Examples of Eligible Expenses</th>
<th>Examples of Ineligible Expenses</th>
</tr>
</thead>
<tbody>
<tr>
<td>• Commercial parking near your work location</td>
<td>• Parking at or near your residence</td>
</tr>
<tr>
<td>• Parking at a train station where you board mass transit</td>
<td>• Parking expenses of your family members</td>
</tr>
<tr>
<td><strong>Note:</strong> If you pay to park at locations where you board mass transit, you can participate in both transit and parking accounts, up to the maximum of each account.</td>
<td>• Amounts exceeding the maximum allowable monthly limit</td>
</tr>
</tbody>
</table>

If you drive to work and park in a University-owned lot or a NYP Hospital-owned lot, you already pay for parking with pre-tax payroll contributions. If you decide to also participate in the Parking Reimbursement Program through EBPA, your combined pre-tax monthly contributions cannot exceed the $255* IRS monthly maximum.

*IRS limits are subject to change.
If you elect to participate in the Transit/Parking Reimbursement Program (T/PRP), you will receive a Benefits Card at your home mailing address from EBPA, the administrator of this benefit. This card is linked to all T/PRP accounts. The Benefits Card allows you to pay for transit or parking expenses through any vendor that sells commuter tickets or MetroCards and accepts MasterCard.

If you are a current employee and already have a Benefits Card, you will not receive a new card. The Benefits Card will be automatically loaded with your new election.

Personal Identification Numbers (PINs) are available to you for use with your Benefits Card. It is not required that you use the PIN; however, individual merchants, such as parking garages, can decide if they will require a PIN for debit card purchases, or if they will let transactions go through as credit card purchases. You can obtain your PIN by logging in to your EBPA account and clicking “Card Status” under “My Cards” on the left side of the screen. Click “to view your PIN click here”; you will need to log in again and complete authentication information as requested to retrieve your PIN.

**If You Do Not Use the Benefits Card**

You may also submit claims with a paper form. Please note that if you use a paper form, you must include receipts.

You can arrange to have your reimbursements deposited directly into the bank account of your choice. If you would like to authorize this, the EBPA direct deposit form is available on the HR website. Please contact EBPA if you have any questions regarding direct deposit service.

To obtain either a claim form or a direct deposit form, go to [http://hr.columbia.edu/officers-transitparking-reimbursement-program](http://hr.columbia.edu/officers-transitparking-reimbursement-program).

---

**Manage Your T/PRP Account with EBPA**

To create an EBPA online account:

2. At the “Columbia University Portal,” click “Transit/Parking Reimbursement.”
3. Select the EBPA Benefits Card image, then click “Continue.”
4. Click “Register” in the upper right-hand corner of the page.

Columbia’s Salary Continuation Plan and Long-Term Disability (LTD) Insurance Plan can replace all or some of your income if you become ill or injured and cannot work. You are automatically covered under the Salary Continuation Plan and the Basic LTD Insurance Plan at no cost to you. You may elect to buy additional coverage under the Optional LTD Plan, and the University recommends you seriously consider this valuable coverage. All of the LTD Plans are insured and administered by Cigna.

As a new hire, take advantage of the one-time opportunity to enroll in Optional LTD without providing Evidence of Insurability.

<td></td>
<td></td>
</tr>
</tbody>
</table>

*Faculty should review their appointment letters for specific information relative to salary continuation payments.

**As defined by the long-term disability provider, Cigna.
The LTD benefits are reduced by other disability income you receive, such as Social Security or Workers’ Compensation. Any payments made to your dependents because of your disability will also reduce your LTD benefit amount.

Here’s an example of how Basic LTD benefit payments are calculated:

After your first 6 months on Basic LTD benefits, the percentage reimbursement of your Annual Benefits Salary is reduced to 60%:

\[
\begin{align*}
\text{Basic LTD Covered Earnings} & \quad \$60,000 \\
\text{Basic LTD % of Salary Benefit} & \quad 60% \times 0.60 \\
\text{Your Basic LTD Benefit} & \quad = $36,000 annually or $3,000 per month
\end{align*}
\]

The Basic LTD benefit payment is fully taxable because Columbia pays the premium.

**LTD Insurance Maximum Benefit Period**

If you remain disabled (as defined by Cigna), you will continue to receive LTD benefits for a maximum benefit period based on your age on the date you become disabled. Benefits continue as long as you remain totally disabled throughout the Maximum Benefit Period as defined by Cigna. These benefits are taxable.

</table>
Optional LTD Insurance Plan

Statistically, your chance of becoming disabled is greater than your chance of dying during most of your working years. Please consider electing Optional LTD coverage to provide additional income protection in the event of disability.

The Optional LTD Plan pays 66⅔% of the first $300,000 of your Annual Benefits Salary for the first six months, and 60% thereafter, up to $15,000 per month.

There are important benefits from Optional LTD, including:

- A 3% cost-of-living increase in the disability benefits payment.
- Contributions to the Officers’ Retirement Plan commence when you become permanently and totally disabled and unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than 12 months.
- The Officers’ Retirement Plan contributions may increase based on a 3% annual cost-of-living increase in the disability benefits payment.

You make the Optional LTD election when you are hired or during annual Benefits Open Enrollment. You pay for this coverage with after-tax dollars, so that your Optional LTD benefits are only partially taxable if you become disabled.

Here’s an example of how Optional LTD benefit payments are calculated if you become disabled. In this example, the Annual Benefits Salary is $150,000.

For your first 6 months on Optional LTD benefits, the percentage payment of your Annual Benefits Salary is 66⅔%:

\[
\begin{align*}
\text{LTD Covered Earnings} & = 150,000 \\
\text{Optional LTD % of Salary Benefit} & = 66\frac{2}{3}\% \\
\text{Your Monthly Benefit} & = 150,000 \times 0.6667 \\
\end{align*}
\]

\[
\text{Your Monthly Benefit} = 8,333.75 \text{ per month}
\]

After your first 6 months on Optional LTD benefits, the percentage payment of your Annual Benefits Salary is reduced to 60%:

\[
\begin{align*}
\text{LTD Covered Earnings} & = 150,000 \\
\text{Optional LTD % of Salary Benefit} & = 60\% \\
\text{Your Monthly Benefit} & = 150,000 \times 0.60 \\
\end{align*}
\]

\[
\text{Your Monthly Benefit} = 7,500 \text{ per month}
\]

_Benefit is 50% taxable because Columbia subsidizes the premium for Optional LTD._

How to Calculate Your Optional LTD Monthly Premium Cost

\[
\begin{align*}
\text{Monthly covered earnings} & = 12,500 \\
\text{Divide by 100} & = 125 \\
\text{Rate} & = 125 \times 0.216 \\
\text{Your total monthly premium cost} & = 27.00
\end{align*}
\]
Additional Benefit Coverage Information

Leave of Absence Benefits Impact

Paid Leave: During your paid leave of absence, you will continue to have payroll contributions for most benefits. If you are not on a work-related leave, your Dependent Care FSA and Child Care Benefit eligibility and contributions will end until your return from leave. Any dependent care expenses incurred during your leave will not be eligible for reimbursement.

Unpaid Leave: During your unpaid leave of absence, EBPA will bill you directly for Medical, Dental, Life insurance (including Optional Life) and Optional LTD coverage. You will not be eligible for the Dependent Care FSA, Child Care Benefit, Voluntary Retirement Savings Plan or the T/PRP Program. After six months of leave, including paid leave immediately prior to your unpaid leave, your Medical and Dental insurance contributions will increase.

Long-Term Disability: If you are approved for LTD, you will have the opportunity to continue Medical and Dental Coverage only. If eligible, you may also continue your Life Insurance coverage. For information about coverage and rates, contact the Columbia Benefits Service Center at 212-851-7000.

Life Insurance: If you become disabled before age 60, you may not have to pay for your life insurance coverage if you qualify under the Plan’s definition of disability. Eligible Officers will automatically have a waiver of life insurance premium application filed on their behalf by Cigna.

Keep in Mind

- If you did not select Optional LTD coverage when you first became eligible, you’ll need to be approved for coverage by Cigna after submitting Evidence of Insurability. Your coverage, as well as your payroll contributions, will not begin until Cigna has approved your application.

- If you leave the University (for a reason other than Retirement), you may be able to continue LTD coverage by applying to Cigna for conversion to an individual policy. Cigna will automatically send a conversion packet to eligible Officers.

- As a new hire, please note that this is your opportunity to easily elect this valuable coverage—without having to provide Evidence of Insurability.
Term Life Insurance

Life insurance can provide valuable financial protection and Columbia University offers you the choice of different levels of coverage to help meet your needs. Columbia offers two Term Life Insurance Plans: the Basic Term Life Insurance Plan and the Optional Term Life Insurance Plan. The Life Insurance Plans are insured and administered by Cigna.

**Basic Term Life Insurance Plan**

The Basic Term Life Insurance Plan is provided automatically by Columbia University at no cost to you. You will automatically receive Basic Term Life Insurance of one times your Annual Benefits Salary, up to $50,000.

The Life Insurance Plan pays a lump sum benefit to your beneficiary in the event of your death while actively employed by Columbia University.

The Plan can also pay a living benefit. If you become terminally ill, you may elect to have the Plan pay out a benefit while you are still living. Any amount you receive will reduce the benefit paid to your beneficiary.

**Optional Term Life Insurance Plan**

You may elect additional amounts of coverage of one, two, three, four, five or six times your Annual Benefits Salary up to a maximum of $1,750,000, including your Basic Term Life Insurance coverage amount. The additional amounts of coverage are paid with post-tax dollars.

The benefit will be determined using your Annual Benefits Salary rounded to the next highest $1,000. You will see your personal monthly premiums on the CU Benefits Enrollment System based on your age as of January 1. Go to [http://hr.columbia.edu/officers](http://hr.columbia.edu/officers) and click on “CU Benefits Enrollment System” to add or update beneficiaries at any time during your employment.

We encourage you to use the tool, “Determine My Life Insurance Needs,” also available on the CU Benefits Enrollment System.

**Monthly Cost of Coverage**

You pay a monthly premium for each $1,000 of coverage. Your premium is based on your age as of January 1:

<table>
<thead>
<tr>
<th>Age</th>
<th>Monthly cost per $1,000</th>
</tr>
</thead>
<tbody>
<tr>
<td>Less than 25</td>
<td>0.029</td>

</tr>
</tbody>
</table>
How to Calculate Your Optional Term Life Monthly Premium Cost

Example: An employee, age 41, with an Annual Benefits Salary of $40,000, elects Optional Term Life Insurance of 3x salary ($120,000).

\[
\begin{array}{ccl}
\text{Amount of Optional Term Life Insurance} & = & 120,000 \\
\text{Divide by 1,000} & = & 120 \\
\text{Rate @ age 41, from table (page 45)} & \times & 0.068 \\
\text{Your total monthly premium} & = & \$8.16
\end{array}
\]

Evidence of Insurability

You must provide Evidence of Insurability (EOI) and be approved by Cigna if:

- You are newly hired and elect Optional Term Life Insurance coverage in excess of 3x your Annual Benefits Salary or $1,000,000 Guaranteed Issue Amount, whichever is less;
- You did not elect Optional Term Life previously and want to elect this coverage during Benefits Open Enrollment;
- You wish to increase the level of your coverage by more than 1x your salary or beyond the Guaranteed Issue amount during Benefits Open Enrollment.

If Evidence of Insurability applies to you, the CU Benefits Enrollment System will guide you through what to do next. To obtain Evidence of Insurability forms, go to http://hr.columbia.edu/officers-term-life-insurance. The forms can also be printed using the link in the CU Benefits Enrollment System once the election has been made. Send the completed form directly to Cigna.

Waiver of Premium

If you become disabled before age 60, you may be eligible for a waiver of life insurance premium. You may not have to pay for your life insurance coverage if you qualify under the Plan's definition of long-term disability. Cigna will automatically file an application on your behalf if you are eligible.

If You Leave the University

If you leave the University, you may be able to continue some life insurance coverage by applying to Cigna for conversion or portability to an individual policy. Cigna will automatically send a conversion packet to eligible Officers.
Dependent Life Insurance provides a benefit to you in the case of the death of your spouse, your same-sex domestic partner or your dependent children up to age 26. You pay the full cost of this benefit.

Coverage choices:

- Spouse/Same-Sex Domestic Partner Life Insurance – $10,000, $30,000, $50,000 or $100,000 of coverage.
  
  **Note:** You cannot elect dependent life insurance greater than your own total life insurance value.

- Your spouse must provide Evidence of Insurability if you elect spouse/same-sex domestic partner coverage of $100,000.

- Child Life Insurance – $10,000 for each dependent child; you pay one premium rate, regardless of the number of children in your family.

Emergency Travel Assistance

When you are covered under our Basic Term Life Insurance Plan (from Cigna), you and your eligible dependents are also covered for emergency travel assistance (“Cigna Secure Travel”) when traveling 100+ miles from home or when traveling in a foreign country for trips up to 180 days. This assistance can be for situations as serious as needing to be evacuated from a foreign country to something as simple as information on visas.

This program can help you with travel emergencies both in the U.S. and internationally. In an emergency, you may call:

United States or Canada: **888-226-4567**
Worldwide, call collect: **202-331-7635**

Please reference Group Number 57 when you contact Cigna Secure Travel.

For more information, email Cigna Secure Travel at: **cigna@gga-usa.com**.

Here is a summary of the range of services Cigna Secure Travel offers:

- Pre-trip assistance
- Medical and prescription drug assistance
  - Locating medical care
  - Translation/interpreter
  - Medical insurance coordination
- Emergency transportation
  - Emergency evacuation when adequate medical facilities are not available locally
  - Family or friend travel arrangements
- Travel assistance
  - Provide assistance with emergency credit card and ticket replacement
  - Provide assistance with emergency passport replacement
  - Locating legal services
- Personal security
  - Latest information on social or political unrest
  - Weather or health hazards
  - Security evacuation services

Services are only covered if coordinated by Cigna Secure Travel.

The University also provides additional emergency assistance resources; if you are traveling to another country for official Columbia purposes, be sure to register in advance of your trip at **globalsupport.columbia.edu**.
Long-Term Care (LTC) Insurance

Long-Term Care (LTC) Insurance, offered by Genworth Life Insurance Company of New York (Genworth Life), can help you and your family pay some of the costs associated with long-term nursing home or home healthcare services that are not covered by traditional medical insurance or Medicare. Due to New York State insurance and licensure laws, residents of the following states only are eligible to participate in the Genworth LTC plan at this time: Alabama, Colorado, District of Columbia, Hawaii, Illinois, Iowa, Kentucky, Michigan, Nebraska, New Jersey, New Mexico, New York, North Carolina, North Dakota, Oregon, Pennsylvania, Rhode Island, South Carolina, Tennessee, Utah, Virginia, West Virginia and Wyoming.

LTC insurance is available to you, your spouse, your same-sex domestic partner, your parents/parents-in-law, grandparents/grandparents-in-law and adult children. You do not need to be enrolled in LTC in order for a family member to apply for this coverage. Once you or a family member are approved for the LTC benefit, coverage is guaranteed as long as the premiums are paid.

How LTC Insurance Works

LTC pays part of the daily cost of services designed to help a person perform certain activities of daily living such as bathing, eating and dressing. The covered person will receive a percentage of the daily maximum benefit, depending on the type of care he or she receives.

For Example:

• Nursing home or alternative care facility – 100% of daily maximum benefit
• Home healthcare or adult care services – 75% of daily maximum benefit
• Informal care such as light housekeeping or shopping – 25% of daily maximum benefit, up to 30-day annual maximum

You can elect a daily maximum benefit of $150, $200, $250, $300 or $350.

Evidence of Insurability

Newly hired or newly eligible? Please consider your unique opportunity to elect LTC within 60 days of your date of hire without providing Evidence of Insurability.

You do not need to provide Evidence of Insurability if you elect LTC insurance coverage within 60 days after you become eligible and are under age 66. If you are age 66-69, you can apply with a shortened enrollment form within the first 60 days of eligibility. If you are age 70 or older, you must provide Evidence of Insurability.

Similarly, if your spouse or same-sex domestic partner enrolls within 60 days after you become eligible, he or she may complete a shortened enrollment form. Other eligible family members, and anyone who enrolls after the 60-day period, must provide Evidence of Insurability and be approved by Genworth.

Contact Genworth Life for Premium Costs and How to Enroll

The cost of LTC coverage depends on the level of coverage you choose and your age when your application is signed. The younger you are when you enroll, the lower your premium. You pay the full cost of LTC directly to Genworth. You and other eligible family members who enroll, can have Genworth Life deduct the premium payment directly from your bank account, or Genworth can bill you directly. To enroll in the LTC Insurance Plan, please coordinate directly with Genworth Life. For more information, call Genworth Life at 800-416-3624 or go to its website at www.genworth.com/columbia.
Columbia University offers three tuition benefits programs to support the education of you and your family. Complete policy information is online at [http://hr.columbia.edu/officers-tuition-benefits](http://hr.columbia.edu/officers-tuition-benefits). You can review your Tuition eligibility by logging in to the CU Benefits Enrollment System and choosing “Tuition Programs, Print Your Eligibility Form.”

**Tuition Exemption Benefit for Officers and Their Children**

The Tuition Exemption Benefits Program pays tuition for you toward undergraduate and Master’s degree programs at Columbia University, Barnard College and Teachers College. This is not a reimbursement or remission program; when you submit your eligibility form to your school’s Student Financial Services office, your tuition is simply exempted.

As a newly hired or newly eligible Officer, you must complete two years of regular full-time continuous service before you are eligible for Tuition Exemption for yourself. Once you become eligible, Tuition Exemption will pay 100% of the tuition for a pre-defined number of courses each term. See the policy for details at [http://hr.columbia.edu/officers-tuition-benefits](http://hr.columbia.edu/officers-tuition-benefits).

If you want to take courses toward a degree prior to meeting the service requirements, you are eligible for a reduced employee rate—35% reduction in tuition costs, at Columbia only.

Your children may also be eligible for a 100% Tuition Exemption benefit for undergraduate degrees at Columbia and Barnard College. For Columbia University Officers’ children who attend Barnard College, the Tuition Exemption benefit is limited to eight Fall and Spring terms. Officers are eligible for this benefit after completing four years of regular full-time continuous service. Your child must matriculate into their degree program by the end of the month in which they turn age 26.

**College Tuition Scholarship (CTS) Benefit for Officers’ Children**

For children who have completed high school, the College Tuition Scholarship benefit pays for up to 50% of the undergraduate tuition at accredited institutions outside of Columbia (up to an annually defined limit) for up to eight semesters. You are eligible for this benefit after completing four years of regular full-time continuous service. Your child must matriculate into their degree program by the end of the month in which they turn age 26.

**Primary Tuition Scholarships (PTS) Benefit for Officers’ Children**

The Primary Tuition Scholarship Benefits Program provides tuition support for your child to attend a private school, grades K-8, located within the five boroughs of New York City. You are eligible to receive PTS as soon as you are eligible for benefits. You and your child must live within the five boroughs of New York City. This benefit covers between 10% and 35% of the tuition, depending on your family income, or 50% of the tuition at The School at Columbia University. You may receive as many scholarships as you have eligible children.
Columbia University’s Office of Work/Life fosters the well-being of the Columbia community and its people in their pursuit of meaningful and productive academic, personal and work lives.

Work/Life offers a number of services and programs. For more information on the range of programs and workshops Work/Life offers, go to [http://worklife.columbia.edu](http://worklife.columbia.edu), email [worklife@columbia.edu](mailto:worklife@columbia.edu) or call 212-854-8019.

- **Affiliated Child Care Centers** are independent centers, located on or near Columbia campuses, which provide quality care and greater access for Columbia families.

- **Affinity Lending Program** includes preferred lenders that can help you refinance your current mortgage, consolidate debt or purchase a new home.

- **Backup Care** is for the care of adults/elders, children or yourself for those situations when normal care arrangements are interrupted or when short-term care is required but you still need to perform your work responsibilities. Coverage is available 24/7, nationwide and in some international locations.

- **Breastfeeding Support Program** provides a variety of support and resources for nursing mothers, including lactation rooms equipped with hospital-grade breast pumps for expressing milk, on all Columbia campuses. Breast pump attachments are available for purchase below retail cost. Breastfeeding workshops are also held each semester.

- **Faculty Spouse/Partner Dual Career Service** is for faculty spouses/partners who are new to the NYC metropolitan area and wish to explore employment opportunities.

- **Housing Information and Referral Service** provides individual consultation and information resources for renting or purchasing apartments or homes in the New York metropolitan area.

- **School and Child Care Search Service** provides free workshops and personalized, professional expertise on early education and child care and K-12 schooling to parents and expectant parents. Individualized resources and referrals are available in the areas of:
  - In-home child care, early childhood education and child care program and tuition-free Pre-K;
  - Public, independent, parochial, charter, boarding and special needs schools for students entering kindergarten through high school;
  - NYC Pre-K and kindergarten newsletter.

- **Wellness Program** includes Walk to Wellness, Weight Watchers at Work, wellness discounts, Mindfulness Training classes and a CU Wellness Newsletter.

Go to [http://worklife.columbia.edu](http://worklife.columbia.edu) for workshops, programs, educational resources, an events calendar and the online bulletin board.
Columbia University’s retirement savings program is designed to provide retirement income that will add to your other savings and investments, as well as your Social Security benefits. The program consists of two retirement plans: The Voluntary Retirement Savings Plan (VRSP) and The Officers’ Retirement Plan.

The Voluntary Retirement Savings Program (VRSP)

The VRSP is a defined contribution 403(b) plan that lets you contribute from 1% to 80% of your eligible pay on a pre-tax and/or Roth post-tax basis, in whole percentages through convenient payroll contributions. The most you can contribute to the VRSP for the current year is $18,000* or, if you are age 50 or over, an additional $6,000* (annual total of $24,000*). This IRS limit applies to your combined contributions, pre-tax and Roth. Eligibility begins on your date of hire.

The Retirement Plan for Officers of Columbia University (the “Plan”)

The University makes contributions to the Plan for you as soon as you become eligible.

Note: If you do not select your investment funds for these plans, your contributions will be invested in the appropriate Qualified Default Investment Alternative (QDIA) with TIAA and Vanguard. You may change your investment fund options at any time. If you do not select an investment carrier, your funds will be invested with Vanguard.

Your Contributions

Pre-tax contributions: Contributions deducted from your pay before federal income taxes (and, in most areas, state and local income taxes) are applied. Your pre-tax contributions and their investment earnings will not be subject to taxes as long as they remain in your VRSP account.

Roth contributions: After-tax contributions, which means you pay taxes on Roth contributions along with the rest of your current pay. Because you pay taxes on your Roth contributions when they go into the VRSP, you’ll pay no taxes on Roth contributions when they are paid out to you from the Plan, subject to certain rules.

Automatic enrollment: If you are an Officer who is hired after July 1, 2013, and you do not make an election to contribute on a pre-tax and/or Roth basis to the VRSP, you will automatically be enrolled to contribute 3% of your eligible pay on a pre-tax basis 60 days following your hire date.

Matching contributions: For those Officers hired after July 1, 2013, the University will match your pre-tax and Roth contributions to the VRSP, up to a maximum of 3% of eligible pay, when you become eligible for University contributions to the Officers’ Retirement Plan. If you are a full-time Senior Officer, the University’s contributions begin on your date of hire. If you are a full-time or part-time Junior Officer, the University's contributions begin the first of the month after you complete two years of eligible service.

Catch-Up contributions: If you are age 50 or older, you may contribute an additional amount—up to $6,000* in 2016—on a pre-tax and/or Roth basis to your VRSP. You become eligible for catch-up contributions on January 1 of the year you turn 50. To make this election, go to http://hr.columbia.edu/officers, click “CU Benefits Enrollment System” and log in with your UNI and password.

*IRS limits are subject to change.
Detailed Information: For information on the Voluntary Retirement Savings Plan (VRSP) and the Officers’ Retirement Plan, including your contributions, investment options, educational information and planning resources, please see the brochure, *Columbia University Retirement Savings Program*, at [http://hr.columbia.edu/officers-voluntary-retirement-savings-program-vrsp](http://hr.columbia.edu/officers-voluntary-retirement-savings-program-vrsp).

Be sure to refer to the appropriate version, either for Officers hired on or after July 1, 2013, or for Officers hired prior to July 1, 2013.

For complete details we encourage you to read the Summary Plan Descriptions (SPDs), which can be found online at [http://hr.columbia.edu/officers-voluntary-retirement-savings-program-vrsp](http://hr.columbia.edu/officers-voluntary-retirement-savings-program-vrsp).

Newly Hired: It is your responsibility to ensure that your annual contributions do not exceed the IRS limit for the calendar year. If you have already contributed to another qualified pre-tax retirement plan this year, please be sure to review those contributions so you can elect the appropriate per-paycheck percentage.

Financial Planning and Retirement Education Resources

Representatives from TIAA and Vanguard visit the University throughout the year to discuss personal financial planning, investment strategies, portfolio reviews and retirement education at no cost to you. These individual counseling sessions are personalized to meet your goals and objectives and your spouse or partner is welcome to attend.

You can register for these sessions by contacting the carriers directly.

The Vanguard Group  [www.meetvanguard.com](http://www.meetvanguard.com)  800-662-0106, ext. 14500

TIAA  [www.tiaa.org/columbia](http://www.tiaa.org/columbia)  800-732-8353

Retirement planning workshops are offered throughout the year by the Columbia University HR Benefits department and the Office of Work/Life. You can view more details and sign up for these workshops through the Work/Life website at [http://worklife.columbia.edu](http://worklife.columbia.edu).

Retiree Medical Insurance

You may be eligible for this coverage if you leave the University on or after age 55 and you complete at least 10 years of full-time benefits-eligible service with the University after age 45. To learn more, please contact the Columbia Benefits Service Center at 212-851-7000, Monday through Friday, 9 a.m. to 4 p.m. You may also contact us via email at [hrbenefits@columbia.edu](mailto:hrbenefits@columbia.edu).

Note: A spouse or dependent is only eligible to enroll if the retiree is a participant, or if the retiree is deceased. Eligible children are covered until age 26 as long as they are full-time students. Qualifying events must be reported within 31 days of the event.
**Annual Benefits Salary** – Used to determine employees' medical contributions, Child Care Benefit eligibility, Life Insurance coverage and Long-Term Disability (LTD) coverage amounts. Annual Benefits Salary is calculated as of July 1 each year and is the greater of a) the base salary in effect on July 1; or b) the prior 12 months’ gross compensation, plus additional and private practice compensation, to June 30.

**Annual Deductible** – The amount you pay for Covered Health Services each year before the Plan begins to pay for non-preventive expenses.

**Appeal of Claim** – If you have a claim for a benefit which is denied in whole or in part, you must receive a written explanation of the reason for the denial. Under ERISA, you have the right to appeal the denial of a claim and have the denial decision reconsidered.

**Coinsurance** – Cost-Sharing between you and the Plan for Eligible Expenses for certain Covered Health Services, where you are required to pay a percentage of the cost. For example, a 90/10 coinsurance plan with a $400 deductible requires you to pay 10% of the covered costs after the Annual Deductible has been met, while the Plan will be responsible for the remaining 90%.

**Copay** – A fixed amount you pay when you receive a healthcare service. The amount can vary by the type of Covered Health Service. Typically you pay a copay for a visit to an in-network provider’s office.

**Cost of Living Adjustment (COLA)** – An adjustment made to income in order to adjust benefits to reflect the effects of inflation.

**Cost Sharing** – The share of plan costs that you pay out of your own pocket. This generally includes Annual Deductibles, Coinsurance and Copays, but does not include premiums or the cost of services that are not eligible.

**Covered Health Services** – Health services, including supplies, which are determined by the Plan to be provided for the purpose of preventing, diagnosing or treating sickness, injury, mental illness, substance use disorders or their symptoms. Covered services are listed in the SPD.

**Eligible Expenses** – Charges for Covered Health Services rendered, or supplies furnished by a certified health professional under the Plan. Eligible Expenses may be subject to Cost Sharing and/or annual or lifetime maximums as specified by the terms of the Plan. Eligible Expenses for services rendered by In-Network providers are limited to the network negotiated charge. For Out-of-Network Benefits, Eligible Expenses are limited to 190% of the Medicare MAC.

**Evidence of Insurability (LTC, Life and LTD)** – Documentation of insurability by an applicant for insurance. Usually this requires completing a form with your medical history. Enrollment in Optional Term Life and Optional Long-Term Disability benefits require such evidence if the employee has not elected the plans within 31 days of their eligibility date and, for Long-Term Care, if elected 60 days after date of hire.

**Exclusion(s)** – A health condition or service not eligible for coverage under the healthcare plan.
Explanation of Benefits (EOB) — A statement provided by a health insurer to the plan participant that explains how their claim was paid. The EOB typically includes the date of service, type of service rendered, Eligible Expense, amount paid by the Plan and the balance to be paid by the plan participant. If applicable, it will also provide any reason(s) the service or supply was not covered by the Plan.

Guaranteed Issue — A feature of certain insured benefits that permits you to enroll regardless of health status, age, gender or other factors that might predict the use of the benefit.

Imputed Income — The value of an employer-sponsored benefit or service that is considered by the IRS as compensation and added to an employee’s taxable wages in order to properly withhold income and employment taxes from the wages. Examples of Imputed Income include:

- Educational assistance above the excluded amount
- Employer contributions for the coverage of same-sex domestic partners and their children

In-Network — Refers to providers or facilities that are part of UHC’s Choice network with which it has negotiated and contracted, to provide a discount for services rendered. Individuals pay less when using an In-Network provider.

Medically Necessary — Healthcare services or supplies needed to prevent, diagnose or treat an illness, injury, condition, disease or its symptoms, and that meet accepted standards of medicine.

Multi-Source Brand — Prescription drugs that are available in both the brand name and generic form.

Network — The group of physicians, hospitals and other providers who are contracted with UHC to provide services to health plan participants at lower-priced, negotiated rates.

Non-Duplication — A provision in health plans specifying that benefits will not be paid for amounts reimbursed by other plans. This typically applies to a plan participant who is eligible for benefits under more than one plan (e.g., covered under spouse’s plan).

Non-Preventive Drugs — Prescription medications that are designed and intended to treat a specific condition. If either a therapeutic class or specific drug is not defined as a Preventive Drug, then it is considered a Non-Preventive Drug.

Open Enrollment — The annual period in which employees can select from a choice of benefits programs with an effective date of January 1 of the following year.

Out-Of-Network Benefits — Covered Health Services provided by non-network providers. Individuals usually are responsible for additional Out-of-Pocket Costs if they use an out-of-network provider. Eligible Expenses for out-of-network services are indexed to 190% of the Medicare MAC.

Out-of-Pocket Costs — Expenses for medical services that are not reimbursed by the Plan. Out-of-Pocket Costs include Annual Deductibles, Coinsurance, and Copays for Covered Health Services, costs above the Eligible Expense and costs for services that are not covered under the Plan.
Out-of-Pocket (OOP) Maximum — The maximum amount a patient must pay for Covered Health Services during a plan year. The in-network OOP Maximum includes the Annual Deductible and medical and prescription drug Copays and Coinsurance. The out-of-network maximum does not include medical or prescription drug copays. The OOP Maximum does not include premiums, payments made for non-covered services or charges above Eligible Expenses.

Precertification — A process where UHC is contacted before certain services are provided, to determine if it is a Covered Health Service. Precertification is not a guarantee your health plan will cover the cost of the services. Also called prior authorization, preauthorization or prior approval.

Pre-Tax Contribution — A contribution which is made before federal and/or state taxes are withheld.

Preventive Care — Medical care that focuses on health maintenance, such as annual physicals, certain screening tests and child immunization programs.

Preventive Drugs — Prescription medications that are designed to prevent individuals from developing a health condition.

Qualified Life Status Change — A change to benefits eligibility that is recognized by the IRS and allows an employee to make a change to certain benefits during the calendar year. After the initial enrollment as a new hire, or after annual Benefits Open Enrollment, employees are only able to change benefits for the remainder of the calendar year if they experience a Qualified Life Status Change.

Self-Insured Plan — Columbia University’s medical and prescription benefits are “self-insured.” Columbia University does not pay “premiums” to each of the insurance carriers. The University pays employee healthcare claims, plus an administrative fee to UHC.

Single-Source Brand — Drugs that do not have a generic equivalent.

Specialty Medication — Drugs that require special handling, administration or monitoring.

Summary Plan Description (SPD) — A document that explains the fundamental features of an employer’s employee benefits plan, including eligibility requirements and the schedule of benefits.

University Network ID (UNI) — Your UNI, usually consisting of your initials plus an arbitrary number, is the key to accessing computer services and electronic resources at Columbia. You will use it to gain access to benefits information.

Vesting — A permanent right of ownership. You are always 100% vested in your Voluntary Retirement Savings Plan contributions.
