Primary Tuition Scholarship (PTS) Benefit: Checklist

For Eligible Officers and their Dependent Children

The Primary Tuition Scholarship (PTS) Benefit pays between 10% and 35% of your dependent child’s tuition in grades K-8 at a private school within the five boroughs of New York City, based on total eligible family income.

The following form and documentation must be completed and submitted to EBPA as part of your application for the Primary Tuition Scholarship (PTS) Benefit. **PTS applications without the required documentation will not be processed until all required information is received.** You can submit an application no earlier than June 1 for the start of a new primary school year.

Required documentation for your application includes:

- **Primary Tuition Scholarship (PTS) - Eligibility & Application Form** – for tuition scholarship outside of Columbia University for dependent children.
- **Full Itemized Tuition Bill** – from the school your child attends, along with the school’s payment mailing address information
- **Financial Information** – attach copies of prior year’s federal, state and city tax returns for the child’s family (if applicable)

Steps to Complete Your Application:

1. **Fill out the Primary Tuition Scholarship (PTS) - Eligibility & Application Form.** To access the form, go to [http://hr.columbia.edu/officers](http://hr.columbia.edu/officers) and log into the CU Benefits Enrollment System with your UNI and password.

     - Year & Grade: K, 1, 2, 3, 4, 5, 6, 7, 8 (Check One)

If your child is not listed on the online form, you will need to add her/him by using the link “Add a Dependent Child” on the main menu in the CU Benefits Enrollment System. Please be prepared to provide proof of relationship (copy of birth certificate, marriage certificate, or adoption certificate/court records) to the Columbia Benefits Service Center, via email at hrbenefits@columbia.edu or secure fax at 212-851-7025.

05/2018
Columbia Benefits Service Center, 615 West 131st Street, 4th Floor, MC 8703 • (212) 851-7000
Once the Columbia Benefits Service Center has verified the dependent relationship and your record is updated, you will be able to print the Primary Tuition Scholarship (PTS) - Eligibility & Application Form.

2. **Attach the Full Itemized Tuition Bill** – from your child’s school, which must include the primary school’s payment mailing address information.

   Please attach any official documentation for grants and/or scholarships your child is receiving.

3. **Financial Information to Determine Total Eligible Family Income and PTS Coverage**: To apply for PTS Percentages of Tuition Covered above 10%, you must submit the prior year’s federal, state and city income tax returns of the child’s family, which are used to determine the “Total Eligible Family Income.” If you do not claim this child as a dependent, you are required to provide the tax return(s) of the person who does. (See Page 3 of this document, the **PTS Financial Information Worksheet**).

   **Total Eligible Family Income Formula:**

   \[
   \text{Taxable Income} - \text{Total Tax} = \text{Total Eligible Family Income}
   \]

   The dollar value of the Total Eligible Family Income is then compared against the PTS Percent of Tuition Covered Table income levels to determine the Percentage of Tuition Covered, from 10% to 35%.

   If you do not wish to submit tax information, your PTS award will equal 10% of the school’s tuition.

   **Certification and Signature**: Please read certifications 1 through 5 and sign and date your PTS Application.

PTS Financial Information Worksheet

Calculate your family’s total eligible income: if the child receives the benefit through two parents who file separately, both incomes count; likewise, if you are not the person claiming the child as a dependent, that person’s income should be added to yours. Use the result to find the amount of the child’s tuition that the benefit will cover, as indicated in the table below.
