**Ongoing:**

**Timesheet Completion** – Each pay period, employees complete and managers approve timesheets. Employees and Managers receive reminder emails the morning of submission deadlines. As a DTA, you can provide review and oversight for all time and absence entries in your departments and follow up with managers as needed.

Access the PAC Bi-Weekly Timesheet Processing Schedule on the HR Website for exact dates:
- **Employee** timesheet submission is 10 AM on the listed deadline day (usually Fridays)
  - *Note:* Absence requests must be approved before 12 noon on the timesheet deadline to be included for processing in the pay period
- **Manager** timesheet approval is 12 pm on the listed deadline day (usually Fridays)

A listing of all department employee’s timesheets displaying ‘Reported Hours’ and ‘Hours to be Approved’ is located on the **Manage My Team > Timesheet** page. Use this view to determine if there are timesheets for managers to approve or employees who need to report time.

**Manager Absence Approval Deadline (Morning):**

Generate Absence Reports to confirm that all absences have been approved, and to send reminders to those managers that still have outstanding items to approve.
- **Absence Event Details** – if there are any unapproved absences (in submitted status), reach out to managers to remind them to approve before the 12 noon deadline
- **Negative Balance** – does an employee’s current absence balance minus approved absences result in a negative amount? Note, this will not show submitted but not yet approved absences.
- **Absence Balance** – compare available balances to requested (approved and submitted) absences. Will there be a negative balance if all requests are approved?
